*Midnight in the Pacific* Joseph Wheelan,2017-08-01 A sweeping narrative history of America's first major offensive of WWII the brutal campaign to take Japanese occupied Guadalcanal From August to November of 1942 US Marines sailors and pilots struggled against an implacable enemy Japanese soldiers inculcated with the bushido tradition of death before dishonor The glittering prize was the strategically decisive Henderson Airfield The bitter slugfest dragged on with heavy losses on both sides More American sailors died in these battles than in all previous US wars Each side lost twenty four warships and the air war claimed more than 500 US planes Meanwhile starving Japanese soldiers called it the island of death In the end American Marines sailors and airmen had finally halted the Japanese juggernaut that had whirled through Asia and the Pacific for five years Guadalcanal was America's first major ground victory against Japan and most importantly the Pacific War's turning point Drawing on vivid accounts written by the combatants along with Marine Corps and Army archives and oral histories *Midnight in the Pacific* is both a sweeping narrative and a compelling drama of individual Marines soldiers and sailors caught in the crosshairs of history

**All Hands ,1963 When the Shooting Stopped** Barrett Tillman,2022-04-14 Highly recommended as a sobering but enlightening account Richard B Frank author of *Downfall* The End of the Japanese Empire In the 44 months between December 1941 and August 1945 the Pacific Theater absorbed the attention of the American nation

and military longer than any other. Despite the Allied grand strategy of Germany first after the Japanese attack on Pearl Harbor the U.S. especially was committed to confronting Tokyo as a matter of urgent priority. But from Oahu to Tokyo was a long sanguinary slog averaging an advance of just three miles per day. The U.S. human toll paid on that road reached some 108 000 battle deaths more than one third the U.S. wartime total. But by the summer of 1945 on both the American homefront and on the frontline there was hope. The stunning announcements of atomic bombs on Hiroshima and Nagasaki on August 6 and 9 seemed sure to force Tokyo over the tipping point since the Allies' surrender demand from Potsdam Germany in July. What few understood was the vast gap in the cultural ethos of East and West at that time. In fact most of the Japanese cabinet refused to surrender and vicious dogfights were still waged in the skies above Japan. This fascinating new history tells the dramatic story of the final weeks of the war detailing the last brutal battles on air land and sea with evocative first hand accounts from pilots and sailors caught up in these extraordinary events. Barrett Tillman then expertly details the first weeks of a tenuous peace and the drawing of battle lines with the forthcoming Cold War as Soviet forces concluded their invasion of Manchuria. When the Shooting Stopped retells these dramatic events drawing on accounts from all sides to relive the days when the war finally ended and the world was forever changed.

**Diary of an Army Baker, Quartermaster Corps, Southwest Pacific, 1942-1945** Jack Wilson, 2000 This is a dramatic record of one man's service in the Pacific War. Jack Wilson began to take notes during training and these notes developed into a diary of thoughts movements and events especially after he was shipped overseas in January 1943. He served in New Caledonia Australia New Guinea the Admiralty Islands and the Philippines. Trained to be a baker in the Quartermaster Corps instead of staying safely in the rear he volunteered for hazardous duty and baked bread for troops on the front lines. Jack and his platoon saw the grisly residue of battle and his diary is in part a startling contrast between the decency of his middle class upbringing and the brutality of war. Another contrast is between tedium and excitement as routine is interrupted by air raids and prisoners. Extensively annotated by Jack's son the diary is both personal and historical.
