*Myths and Legends of the Eastern Front* Boris Sokolov, 2020-01-19 This English translation of the original Russian work is thought provoking challenging the official version of what happened during World War II Firetrench The memory of the Second World War on the Eastern Front still referred to in modern Russia as the Great Patriotic War is an essential element of Russian identity and history as alive today as it was in Stalin s time It is represented as a defining episode a positive historical myth that sustains the Russian national idea and unites the majority of Russian citizens As a result as Boris Sokolov shows in this powerful and thought provoking study the heroic and tragic side of the war is highlighted while the dark side the incompetent negligent and even criminal way the war was run is overlooked Although almost eighty years have passed since the defeat of Nazi Germany he demonstrates that many of the fabrications put forward during the war and immediately afterwards persist into the present day In a sequence of incisive chapters he uncovers the truth about famous wartime episodes that have been consistently misrepresented His bold reinterpretation should go some way towards dispelling the enduring myths about the Great Patriotic War It is necessary reading for anyone who is keen to understand how it continues to be distorted in Russia today

Marshal K.K. Rokossovsky Boris Sokolov, 2015-03-19 The author Boris Sokolov offers this first objective and intriguing biography of Marshal Konstantin Konstantinovich Rokossovsky who is widely considered one of the Red Army s top commanders in the Second World War Yet even though he brilliantly served the harsh Stalinist system Rokossovsky himself became a victim of it with his arrest beatings and imprisonment between 1937 and 1940 The author analyzes all of Rokossovsky s military operations in both the Russian Civil War and the Second World War paying particular attention to the problem of establishing the real casualties suffered by both armies in the main battles where Rokossovsky took part as well as on the Eastern Front as a whole Rokossovsky played a prominent role in the battles for Smolensk Moscow Stalingrad Kursk Belorussia Poland East Prussia and Pomerania While praising Rokossovsky s masterful generalship the author does not shy away from criticizing the nature of Soviet military art and strategy in which the guiding principle was at all costs and little value was placed on holding down casualties This discussion extends to the painful topic of the many atrocities against civilians perpetrated by Soviet soldiers including Rokossovsky s own troops A highly private man Rokossovsky disliked discussing his personal life With the help of family records and interviews including the original uncensored draft of the Marshal s memoirs the author reveals the numerous dualities in Rokossovsky s life Despite his imprisonment and beatings he endured Rokossovsky never wavered in his loyalty to Stalin yet also never betrayed his colleagues Though a Stalinist he was also a gentleman widely admired for his courtesy and chivalry A dedicated family man women were drawn to him and he took a campaign wife during the war Though born in 1894 in Poland Rokossovsky maintained that he was really born in Russia in 1896 This Polish Russian duality in Rokossovsky s identity hampered his career and became particularly acute during the Warsaw uprising in 1944 and his later service as Poland s Defense Minister

Thus the author ably portrays a fascinating man and commander who became a marshal of two countries yet who was not fully embraced by either     **Stalin's General** Geoffrey Roberts,2012-08-02 Marshal Georgy Zhukov is one of military history's legendary names He played a decisive role in the battles of Moscow Stalingrad and Kursk that brought down the Nazi regime He was the first of the Allied generals to enter Berlin and it was he who took the German surrender He led the huge victory parade in Red Square riding a white horse and in doing so dangerously provoking Stalin's envy His post war career was equally eventful Zhukov found himself sacked and banished twice and wrongfully accused of disloyalty However he remains one of the most decorated officers in the history of both Russia and the Soviet Union Since his death in 1974 Zhukov has increasingly been seen as the indispensable military leader of the Second World War surpassing Eisenhower Patton Montgomery and MacArthur in his military brilliance and ferocity Making use of hundreds of documents from Russian military archives as well as unpublished versions of Zhukov's memoirs Geoffrey Roberts fashions a remarkably intimate portrait of a man whose personality was as fascinating as it was contradictory Tough decisive strong willed and brutal as a soldier in his private life he was charming and gentle Zhukov's relations with Stalin's other generals were often prickly and fraught with rivalry but he was the only one among them to stand up to the Soviet dictator Piercing the hyperbole of the Zhukov personality cult Roberts debunks many of the myths that have sprung up around Zhukov's life to deliver fresh insights into the marshal's relations with Stalin Khrushchev and Eisenhower A highly regarded historian of Soviet Russia Roberts has fashioned the definitive biography of this seminal 20th century figure     *Non-Fiction Cinema in Postwar Europe* Lucie Cesalkova,Johannes Praetorius-Rhein,Perrine Val,Paolo Villa,2025-10-01 After WWII cinema was everywhere in movie theatres public squares factories schools trial courts trains museums and political meetings Seen today documentaries and newsreels as well as the amateur production show the kaleidoscopic portrait of a changing Europe How did these cinematic images contribute to shaping the new societies emerging from the ashes of war both in the Western and in the Eastern bloc Why were they so crucial in framing and regulating new places and practices political systems economic dynamics educational frameworks and memory communities This edited volume explores the multiple ways nonfiction cinema reconfigured public spaces collective participation democratisation and governmentality between 1944 and 1956 Looking back at it through a transnational perspective and the critical category of spatiality nonfiction cinema appears in a new light simultaneously as a specifically situated and as a highly mobile medium it was a fundamental agent in reshaping Europe's shared identity and culture in a defining decade     **Russian War Films** Denise Jeanne Youngblood,2007 A panoramic survey of nearly a century of Russian films on wars and wartime from World War I to more recent conflicts in Afghanistan and Chechnya with heavy emphasis on films pertaining to World War II     **Directory of Eastern European Film-makers and Films 1945-1991** Grzegorz Balski,1992     *Arms and the Film* Manuela Gheorghiu-Cernat,1983     Canadian Slavonic Papers ,2000     **Moscow 1941** Rodric Braithwaite,2006 Sample Text     *Selected Works: Beyond the stars : the memoirs of*
