## **Pagan Spirituality:**

**Pagans & Christians** Gus DiZerega, 2001 Although Christianity is still a major religious force there are growing numbers of people in other faiths including the various Pagan traditions Some Christians have responded to this trend with fear and derision while some Pagans have reacted to that fear with anger and mistrust Much of the problem is due to misunderstandings and lack of communication This can change with Gus diZerega s Pagans Christians Here you will find a penetrating and illuminating comparison showing that neither path has the single correct approach to the Divine Rather either or both can be authentic and legitimate expressions of the appreciation of the Ultimate Source of All Pagans Christians is an ideal way to help bridge what at time seems a wide chasm between Christian and Pagan beliefs By sharing core ideas of both paths this book provides a way to give deeper mutual understanding and unity among the religions of the world Although Pagans Christians accepts both paths as valid the book provides a more in depth explanation of Paganism the minority religion because in some ways Paganism demands a greater defense and explanation of its beliefs and ideas to dispel misunderstandings The author is a Third Degree Gardenerian Elder and in Pagans Christians has presented nothing less than a brilliant defense of Paganism clearly showing how it should stand beside all of the major religions of the world as an equal As part of this defense diZerega gives a listing of biblical contradictions and Christian philosophical difficulties which can help any Pagan responding to a negative attack and will help any Christian to view his or her religion as a way not the way Winner of the 2001 Coalition of Visionary Resources COVR Award for Best Non fiction Book Paganism for Beginners Althaea Sebastiani, 2020-04-21 Begin your journey of spiritual exploration with this modern guide to Paganism Introduce yourself to the world of Paganism and its diverse magick with this reader friendly guide Paganism for Beginners features a comprehensive overview of common Pagan practices traditions and core beliefs like open mindedness self reliance and freedom of choice Paganism for Beginners is inclusive inspiring and the perfect way for seekers to explore this time honored earth centric form of spirituality You ll nourish your soul and unlock the magick of the universe with Pagan basics Delve into deities follow along with the Pagan calendar and learn essential knowledge of Pagan symbols rituals and tools on your journey of spiritual exploration Pagan history Paganism is one of the world s oldest religious movements You ll read about the roots of Paganism and how it s evolved to serve modern practitioners yearning to reconnect with themselves and find more wonder depth and meaning in the world Pagan traditionss There are many forms of Paganism and each is known as a tradition You ll learn the defining details and ritual practices of traditions like Celtic Polytheism Druidry Wicca and more Embrace your spiritual path and live a more magickal life with Paganism for Beginners **Pagan Ways** Gwydion O'Hara, 1997 Readers are invited to explore the history of Paganism and the founders of the modern Craft movement The Pagan god is found in the cycles of the season and Pagan Ways shows how to get in touch with nature spirits what celebrations are included in the Pagan calendar the tools used for magick and worship how to erect an altar and how to
