Paganism for Beginners Sebastian Berg, Paganism is a subject that can divide people. Some believe it is an ancient religion that involves devil worship and sacrificial rites that involve naked sacrifices in the forest. Other people believe it is all about love and happiness; people were singing Kumbaya as they scatter flowers before them. The truth is as with most religions and beliefs, there are many layers to Paganism and the people who follow in the Pagan ways. If you are interested in finding out about their beliefs and ceremonies, then this is the book for you. Dispel the myths and learn the truth behind this fascinating subject. You may feel the call to join the Pagan community or you may just be curious to find out what Paganism is all about. No matter what your reason, you are sure to be entertained and informed with this informative book on Paganism.

Have you always wanted to learn about the Wiccan religion? Are you interested in becoming a practitioner or are you simply looking to learn something new? If you answered yes to either of these questions, then you are going to want to keep reading. Wicca has grown in popularity over the last decades and is one of the most researched Pagan religions. It is often seen as the Pagan religion, but it's not. It is one of many different Pagan religions, but it does happen to be the newest one. While Wicca has roots that date back several hundred and even thousands of years, it wasn't started until the 1950s. Even still, the Wicca we have today doesn't look much like the religion that was started back then. Many different offshoots have sprung to life that focus on different aspects of the religion to make it work best for the people practicing it, which is a lot like Christianity. There are a lot of
