## **Pagans Progress:**

Pagan's Progress Michael Dames, 2017 A newly ancient vision of the English landscape from one of its most revered mythographers In an age of ecological turbulence our understanding of the hills rivers and fields we live among is more critical than ever But what might the academic study of geography fail to teach us and what relationships to the land might be revealed by reinvestigating the neglected knowledge practices of myth history and legend Michael Dames sets out to reconnect with the hallowed landscapes of Britain and Ireland and finds them populated by ancient goddesses strange rites and embedded energies As he voyages beneath the Neolithic immensity of Silbury Hill past the chalk horses of Uffington and the ravaged cliffs of Land's End peninsular Dames meets a wild community of holy cows industrious bees Sheila na Gigs and Salmon women channeling the peculiar folk tales they have to tell Presented as a series of insightful and lyrical vignettes beautifully illustrated by artist Natalie Kay Thatcher each chapter of this far roaming book conducts a pilgrimage along the tracks and byways of dimly remembered lore renewing connections with customs that underscore our relationship to the lands we inhabit It offers a pagan's progress towards re enchanting and deepening our sense of belonging to a landscape both strange and sacred

Pagans & Christians Gus DiZerega, 2001 Although Christianity is still a major religious force there are growing numbers of people in other faiths including the various Pagan traditions Some Christians have responded to this trend with fear and derision while some Pagans have reacted to that fear with anger and mistrust Much of the problem is due to misunderstandings and lack of communication This can change with Gus diZerega's *Pagans Christians* Here you will find a penetrating and illuminating comparison showing that neither path has the single correct approach to the Divine Rather either or both can be authentic and legitimate expressions of the appreciation of the Ultimate Source of All

*Pagans Christians* is an ideal way to help bridge what at time seems a wide chasm between Christian and Pagan beliefs By sharing core ideas of both paths this book provides a way to give deeper mutual understanding and unity among the religions of the world Although *Pagans Christians* accepts both paths as valid the book provides a more in depth explanation of Paganism the minority religion because in some ways Paganism demands a greater defense and explanation of its beliefs and ideas to dispel misunderstandings The author is a Third Degree Gardenerian Elder and in *Pagans Christians* has presented nothing less than a brilliant defense of Paganism clearly showing how it should stand beside all of the major religions of the world as an equal As part of this defense diZerega gives a listing of biblical contradictions and Christian philosophical difficulties which can help any Pagan responding to a negative attack and will help any Christian to view his or her religion as a way not the way Winner of the 2001 Coalition of Visionary Resources COVR Award for Best Non fiction Book
