Painted House:

A Painted House John Grisham,2010-03-16 1 NEW YORK TIMES BESTSELLER Until that September of 1952 Luke Chandler had never kept a secret or told a single lie But in the long hot summer of his seventh year two groups of migrant workers and two very dangerous men came through the Arkansas Delta to work the Chandler cotton farm And suddenly mysteries are flooding Luke s world A brutal murder leaves the town seething in gossip and suspicion A beautiful young woman ignites forbidden passions A fatherless baby is born and someone has begun furtively painting the bare clapboards of the Chandler farmhouse slowly painstakingly bathing the run down structure in gleaming white And as young Luke watches the world around him he unravels secrets that could shatter lives and change his family and his town forever

Painted House Graham Rust,1988-01-01 For Folk's Sake Erin Morton,2016-11-01 Folk art emerged in twentieth century Nova Scotia not as an accident of history but in tandem with cultural policy developments that shaped art institutions across the province between 1967 and 1997 For Folk s Sake charts how woodcarvings and paintings by well known and obscure self taught makers and their connection to handwork local history and place fed the public s nostalgia for a simpler past The folk artists examined here range from the well known self taught painter Maud Lewis to the relatively anonymous woodcarvers Charles Atkinson Ralph Boutilier Collins Eisenhauer and Clarence Mooers These artists are connected by the ways in which their work fascinated those active in the contemporary Canadian art world at a time when modernism and the art market that once sustained it had reached a crisis As folk art entered the public collection of the Art Gallery of Nova Scotia and the private collections of professors at the Nova Scotia College of Art and Design it evolved under the direction of collectors and curators who sought it out according to a particular modernist aesthetic language Morton engages national and transnational developments that helped to shape ideas about folk art to show how a conceptual category took material form Generously illustrated For Folk s Sake interrogates the emotive pull of folk art and reconstructs the relationships that emerged between relatively impoverished self taught artists a new brand of middle class collector and academically trained professors and curators in Nova Scotia s most important art institutions
