Mastering Light & Shade in Watercolor Kim Seng Ong, 2003 Few students realize that in order to give their paintings a luminous glow they must also manipulate the darks Ong Kim Seng is a master of this method and in this book he shows how to do it He follows a stimulating logical progression that begins with materials and works enjoyably through planning a light filled composition using color to intensify light devising areas of color contrast and the best ways to use tonal values to capture the light in a dramatic evocative way Then we come to the crux of the book While he demonstrates how to produce lively light filled paintings Ong Kim Seng also shows the important role that shadows play in the scheme of things Through a series of beautiful demonstrations he shows how to manipulate the shadows to create luminosity He shows how to mix the color of shadows and suggests alternate approaches for different paintings Ong Kim Seng then shows how to guide the viewer s eye

through the painting to the center of interest using light and shade and a battery of interesting ideas from simplification to amplification He devotes a chapter to the concepts of harmony unity and balance and even shows how to solve problems in finished works While all this solid art instruction is taking place Ong Kim Seng never lets the student forget that there is more to a work of art than technique Multiple step by step demonstrations examples ideas inspiring storytelling and a gallery of gorgeous paintings set the seal on an exceptional book Book jacket Hints on Light and Shadow, Composition, Etc Samuel Prout,1848 **Practical Hints on Light and Shade in Painting** John Burnet,2015-08-21 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Painting Light & Shadow** ,1997 More than 130 artists briefly describe how they achieved light and shadow in the watercolor paintings selected for this collection *Hints on Light & Shadow ... as Applicable to Landscape Painting* Samuel Prout,1848 Light and Shade for the Artist José María Parramón,1975
