**The Business of Painting** Arthur Cole,2012-10-11

Every year many highly skilled professionals in the painting trade attempt to go into business on their own Even though they may be excellent painters almost all of them fail They fail because they don t know how to run a painting enterprise as a business Knowing the trade is necessary but not enough This book teaches the professional how to succeed in business from the initial organization to the most complex management skills It provides easy to follow lessons in all the needed methods of management in the business of painting See the table of contents on its website THEBUSINESSOFPINTING COM The author is a college graduate a veteran of army s counterintelligence corps a former public high school history teacher and apprentice painter in his teens who thought he knew a lot about the trade he didn t Even while teaching school he ran a sideline business in house painting and hired experienced painters to work for him while he was busy in the school During school vacations he worked alongside of his more skilled employees and learned from them a lot more of the trade He also picked up lots of management acumen by way of trial and error and quizzing other business people who always seemed willing to pass along their knowledge This seemingly foolish approach to a career as a painting contractor did actually work but it took years to perfect Following the guidance of this book can allow the professional painter to bypass all the mistakes made by the author in his progress to success the business he started by doing the work by himself now employs fifty painters and works in six states the author decided very early that he disliked working for homeowners and moved into commercial work where quality

requirements were high and most of the customers were honest As of this publication date the author is now in his twentieth year of retirement His teaching background influenced his urge to write this book and he sincerely hopes and expects that all painting contractors who follow its advice can succeed *The Faux Finish Artist* Jimmy Eldridge Hager,2008-12-01 Written for beginners and professionals alike The Faux Finish Artist is a training manual for people who want to earn at least 500 a day as a working Decorative Artist Whether you are a canvas painter contractor subcontractor interior designer or maybe youve never picked up a paint brush and simply want to earn extra income Jimmy Eldridge Hager draws on his 35 years of experience as a working Decorative Artist to show you step by step how its done From your first sample board to your first client presentation to building a successful business The Faux Finish Artist will cut years off your learning curve If youve ever considered a career as a working Decorative Artist this book was written for you *Painting & Wallpapering* Robert C. Yeager,1983 Design guidelines for choosing colors and patterns How to select paint paper and tools Step by step instructions for painting including special effects How to hang paper and fabric wall coverings *Art Digest*,1926 Includes section The great calender of American exhibitions *National Painters Magazine* ,1922 *Bulletin of the Art Institute of Chicago* ,1929 *ARTnews* ,1956 *The Painters Magazine and Paint and Wall Paper Dealer* ,1921
