The Book Review ,2006

Comparative Early Modernities David Porter,2012-09-14 Recent historical scholarship has shown the way towards a geographically capacious conception of the early modern world Featuring essays by nine leading scholars of early modern Asia and Europe Comparative Early Modernities casts aside the legacies of European exceptionalism to reveal the interconnected multiplicity of the early modern world and of the variety of unexpected pathways linking these histories to the evolving modernities of the 21st century In their fresh and provocative examinations of topics in literature philosophy art history and political economy the authors transform our understanding of global early modernity and reassess the theoretical and methodological premises of comparative historical studies

Encyclopaedia of Indian Paintings Rakesh Kumar,2007

Mughal Painter of Flora and Fauna Ustād Mansūr Som Prakash Verma,1999 This volume follows Mughal Painters and their Work A Biographical Survey and Comprehensive Catalogue Oxford University Press New Delhi 1994 the first comprehensive book of reference on the work of nearly 200 Mughal painters and has been conceived to provide readers much information on the Mughal painting through the contribution of individual master painters Need not say ample information is available about the artists of the Mughal atelier sixteenth seventeenth centuries Yet to date except for some articles on a few painters no book has been published on individual artist Ustad Mansur a keen observer of nature endowed

with almost Euclidean intellect deserved a more detailed study to re evaluate his merit as an artist whose achievement in naturalistic portraiture of a large number of species from the world of flora and fauna has remained unsurpassed till today Our attempt is to enter into the very creative process of this great Mughal painter to relive in his times and environment in order to discover real Mansur The whole panorama of Mansur's portraits of birds animals and flowers set in marvellously and uniquely laid background represents in his true spirit and characteristics the very quintessence of nature's endless variety of creation and beauty Part I provides historical and artistic context in which Ustad Mansur worked Information about him has been gleaned from original texts principally Persian historical sources supplemented by the evidence of artist's own work Part II comprises the plate section of representative eighteen miniatures that illustrate our painter's style and his specialisation in painting The appendix further enhances the value of this work since it provides correct rendering of contemporary inscriptions and determines genuine signatures and contemporary ascriptions The volume is richly illustrated with a large number of black and white and colour illustrations These illustrate the art and style of Ustad Mansur Nadir ul Asr Unequalled of the Age the most illustrious naturalist painter of India It will naturally be of interest to students of art and natural history It is also recommended to persons curious to know about the Mughal times It is hoped that other volumes on individual Mughal painters will follow and monographs on their lives and work with a critical valuation will be available

Rajput Painting Ananda Kentish Coomaraswamy, 1916 After the Great Mughals Barbara Schmitz, 2002 Although the study of painting under the Great Mughals is one of the most popular topics of Indian art historical research scant attention has been given to the continuation of this tradition the painting and illustrated manuscripts produced at the Delhi court and various regional schools from the reign of Bahadur Shah I in 1707 to the end of the reign of Bahadur Shah Zafar in 1858 This volume addresses several important themes of the era the development of the styles of major artists such as Chitarman Dip Chand and Imam Baksh and their influence on later Mughal painting the proliferation of regional styles during these years and finally offered are new appraisals of the European contribution to Indian art of these 150 years *Images of Thought* Gregory Minissale, 2006 Images of Thought is an entirely new approach to understanding non Western art Supported by a wide reading in anthropology theology and philosophy it provides an intellectual context for reading the visual language of Indian and Persian miniature art By decoding artistic conventions and with searching visual analyses the book attempts to transform our understanding of art as an illustration of history to art as a reflection of the intellect Images of Thought should be of interest to the general reader students and scholars of art and critical theory as it shows that one of the world's richest painting traditions can offer important insights into issues of visual perception and intellectual production generally

Majesty of Mughal Decoration George Michell, 2007-10-30 An exquisitely illustrated survey of the decorative motifs and visual themes from one of the great artistic periods in Indian history Mughal decorative arts delight in arabesque and geometric designs as well as scenes of nature flowers birds and animals and human pleasure music dancing feasting love

making Master craftsmen at the Mughal and Rajput courts employed a variety of materials and techniques to produce marble panels inlaid with semi precious stones sandstone screens perforated with geometric designs brass vessels inlaid with strips of silver and gold jade drinking cups dagger hilts encrusted with rubies and emeralds and costumes and sashes embroidered with silk and golden threads No less gorgeous were the vividly toned and exquisitely detailed miniature paintings that portrayed contemporary events as well as epic tales Drawing on the finest and most representative examples in public and private collections in India Europe and America this stunning survey examines common decorative motifs and themes in Mughal art More than 300 illustrations amply convey the virtuoso workmanship and the sheer elegance of design common to all objects It will be an essential reference work for art historians designers and anyone interested in the arts and life of India 300 color photographs and illustrations
