Paint Oils is a stunning new book that introduces the reader to the subject of oil painting. The book assumes no previous knowledge of this exciting medium and covers everything you need to be acquainted with to get started from equipment and materials through to methods and techniques. This is a serious art book for serious artists designed to both inspire and teach beginners and to provide experienced painters with a solid introduction to oils. The rigorous text is supported with full colour photographs and clear descriptions and step by step instructions are provided throughout. The book culminates in three step by step projects giving the reader the opportunity to produce three fantastic oil paintings of their own. Many of the author's beautifully executed own works are exhibited throughout the book which cannot fail to inspire the reader and the book's predominantly practical hands on approach to the subject means they can pick up a paintbrush and start painting right from page 1.

Colour and Light in Oils Nicholas Verrall, Robin Capon, 2004. PAINTING OILS. Often seen as dark and gloomy, oils can in fact be used to create colourful and light paintings that are wonderfully expressive. One significant characteristic of oil paint is its richness and depth of colour, something that is of particular interest to Nicholas Verrall. In this book he discusses his working methods and the importance of colour at the same time placing these issues within the general context of painting in oils with all that this has to offer. Includes information, demonstrations and many inspirational finished paintings to help painters understand the value of colour in interpreting ideas with feeling and impact. It provides guidance on a wide range of skills, techniques and advice on subject matter and associated topics. Illustrated throughout. It shows how to use oils and create colourful, light and expressive pictures. Verrall is one of the UK's most respected contemporary figurative painters. It is presented new in paperback.
