*The Palace Tiger* Barbara Cleverly, 2006-07-25 In her award winning mysteries from *The Last Kashmiri Rose* to *The Damascened Blade* Barbara Cleverly paints a dazzling portrait of the British Raj infusing it with intrigue enchantment and menace And in her detective hero Joe Sandilands war veteran and Scotland Yard policeman Cleverly gives us a gallant guide to this paradise lost Having seen humankind at its worst now in a lush royal kingdom Sandilands will see it at its most dangerously complex In northern India Ranipur is renowned for its trove of priceless gems its exquisite palace and its medieval mores in matters involving men and women But Ranipur's prince is dying and Joe has been sent to be Her Majesty's witness to a charged battle of succession With two heirs dead and another running for his life Joe suspects that a murderer is hiding among the palace's visitors and residents from English opportunists to scorned wives and a dangerous seductress Now as a gilded remote bastion teeters on the brink of chaos and a man eating tiger prowls the nearby countryside Joe must turn hunter of a human an animal and the hunger that drives them both

*The Magic Pot* Odeen Ishmael, 2010-07-30 This book comprises a collection of popular folk stories from Guyana and other countries of the Caribbean region The starring character in all of them is Nansi whose exploits form part of the folklore of these countries Nansi the starring character in all the stories is also popularly known as Anansi But in Guyana and some other Caribbean countries Nansi the shortened form of this name is usually preferred Nansi who is a spider but who sometimes takes the qualities or form of a man or even half man and half spider is originally the chief trickster among the Ashanti and Akan peoples of West Africa When some of these peoples were forcibly brought to the Caribbean and the American continent as slaves from the sixteenth to the nineteenth centuries they also brought with them the tales of the exploits of Nansi who was and still is variably regarded as a folk hero a cunning trickster and also sometimes as a fool The stories in this book are no different to the ones told in West Africa or other parts of the Caribbean and the south east United States even though the plots and the characters involved may vary slightly They certainly provide tangible evidence that much of the oral traditions of people of African origin in the Americas remain intact despite the historical trauma caused by centuries of slavery Nansi is always outwitting the forest creatures humans his own family the community in which he lives and sometimes even deities His character assumes various patterns In some cases he is regarded as wise but he can be greedy cunning gluttonous stupid and dishonest Despite these varying characteristics Nansi is generally admired for the manner in which he outwits others In Guyana and other countries of the English speaking Caribbean particularly in rural areas the exploits of Nansi are related by older people as a form of entertainment at wakes and other community gatherings The stories are now no longer exclusive to people of West African ancestry since people of all ethnic origins in these countries regard Nansi as their folk hero as well Interestingly all stories told at these informal community gatherings are regarded as Nansi stories even though Nansi may not be a character in any of them The tales of Nansi are very imaginative and they are so embedded in the minds of people of Guyana and the

Caribbean that sometimes any story that is far fetched and hard to believe is dismissed as a Nansi story      *Unlocking the Secrets of Purple Star Astrology* - Zi Wei Dou Shu HIEU NGUYEN MINH, Welcome to the fascinating world of Zi Wei Dou Shu a journey into the realm of oriental horoscopes specifically Vietnamese and Chinese astrology This book is specially crafted for those who are intrigued by occult subjects and wish to explore astrology from a different perspective Whether you are completely new to horoscopes or seeking to deepen your knowledge this book is for you Our aim is to make Zi Wei Dou Shu accessible to everyone even those with no prior background in astrology You will quickly grasp the concepts and master this ancient art What sets this book apart from others on the subject is its simplicity and clarity Unlike books filled with confusing transliterated terms the author has reworked the language to use original English words making it easier for native English speakers to understand Furthermore while many books only present knowledge without proper guidance this book will lead you through each step from the basics to the complexities of reading horoscopes The author understands the frustration caused by metaphorical and elusive writing styles in other books That s why the author has taken great care to remove ambiguity and present the material in a logical and straightforward manner The goal of this book is to make Zi Wei Dou Shu a realistic and logical study giving you a true understanding of the subject This book will reveal How to simply get acquainted and recognize a horoscope through the thousand year old Zi Wei Dou Shu The easiest way to create a Zi Wei Dou Shu by hand The easiest way to analyze a horoscope Zi Wei Dou Shu The simplest way to approach advanced technique of predicting the future through horoscopes All horoscopes and techniques are systematized and explained by the author in a very logical and easy to understand formula By the end of this book you will have acquired advanced level skills in reading horoscopes So join me on this illuminating journey as we explore the secrets of Zi Wei Dou Shu Whether you re a seasoned astrology enthusiast or just beginning to explore the mystical world this book will open new doors and unveil the wonders of oriental horoscopes Let s begin      The Tiger's Awakening Fred G.
