

A top-down view of a gardening workspace. The background is a dark, textured surface, possibly a table or ground, covered with dark soil. Several potted plants are arranged around the perimeter: a green fern-like plant in the top left, a dense green plant in the top right, a basil plant in the bottom left, and another basil plant in the bottom right. In the center, there are two gardening tools: a trowel with a wooden handle and a metal head, and a fork-like tool. A small pile of dark soil is also visible near the bottom center. The overall scene is well-lit, highlighting the vibrant green of the plants and the dark tones of the soil and tools.
