Rise Above Scott Barry Kaufman, PhD, 2025-04-22 An empowering call to reject the victim mindset and become the hero of your life by the renowned psychologist and host of The Psychology Podcast Does life feel smaller than it used to Does it seem that the people around you have taken a step back from doing hard things preferring to stay in their comfort zone In the era of TikTok as therapy it s tempting to see ourselves as damaged and powerless defined by our past traumas our emotions and the struggles we face But it s more important than ever to rise above the limiting beliefs and widespread anxiety that puts us in boxes lowers our expectations and holds us back In this empowering book renowned psychologist Dr Scott Barry Kaufman unpacks the dangerous myths and misleading buzzwords swirling around the popular imagination revealing the truth about managing our emotions the double edged sword of self esteem the surprising gifts of sensitivity and ultimately the power each of us has to overcome challenges and to shape the course of our own lives Urgently needed Rise Above speaks to what ails us offering not just empathy insight and a dose of humor but also actionable solutions to own your life and reach your full potential

The Myth of Making It Samhita Mukhopadhyay, 2024-06-18 We can bury the girlboss but what comes next The former executive editor of Teen Vogue tells the story of her personal workplace reckoning and argues for collective responsibility to reimagine work as we know it One of the smartest voices we have on gender power capitalist exploitation and the entrenched inequities of the workplace Rebecca Traister author of Good and Mad As I sat in the front row that day I was 80 percent faking it with a 100 percent real Gucci bag Samhita Mukhopadhyay had finally made it she had her dream job dream clothes dream life But time and time again she found herself sacrificing time with family and friends paying too much for lattes and limping home after working twelve hours a day Success didn t come without costs right Or so she kept telling herself And Mukhopadhyay wasn t alone Far too many of us are taught that we need to work ourselves to the bone to live a good life That we just need to climb up the corporate ladder to lean in and hustle to enact change But as Mukhopadhyay shows these definitions of success are myths and they are seductive ones Mukhopadhyay traces the origins of these myths taking us from the sixties to the present She forms a critical overview of workplace feminism looking at stories from her own professional career analysis from activists and experts and of course experiences of workers at different levels As more individuals continue to question whether their professional ambitions can lead to happiness and fulfillment in the first place Mukhopadhyay asks What would it mean to have a liberated workplace Mukhopadhyay emerges with a vision for a workplace culture that pays fairly recognizes our values and gives people access to the resources they need A call to action to redefine and reimagine work as we know it The Myth of Making It is a field guide and manifesto for all of us who are tired searching for justice and longing to be liberated from the oppressive grip of hustle culture

The Dusk of Design Jose Antonio Lara-Hernandez, Alessandro Melis, Paola Boarin, Priscila Besen, 2025-01-13 The Dusk of Design explores the intersection of evolutionary theories and architectural design Drawing

inspiration from the concept of exaptation in biology the book argues that natural selection as the most successful designer on our planet thrives on the diversity variability and redundancy of creative structures By transferring these mechanisms to architectural design the book contends that we can cultivate more resilient and sustainable architecture and cities in the face of environmental crises This book seeks to illuminate the profound potential of multidisciplinary by examining case studies from architecture worldwide By exploring how evolutionary theories can explain various architectural phenomena it aims to inspire architects designers researchers and students to adopt a holistic and transdisciplinary approach to their work The book provides a clear and concise overview of evolutionary principles demonstrating their relevance to architecture It will showcase a range of case studies that highlight the application of evolutionary theories in solving architectural challenges such as adaptive reuse sustainable urban planning and resilient design in the face of climate change Ultimately The Dusk of Design aims to bridge the gap between biology and architecture presenting a fresh perspective on how we can create more innovative sustainable and resilient built environments

Trauma is unresolved pain. It hums in the background of our lives and robs us of the joy, faith, peace and love we fully deserve. In their groundbreaking book, Pedram Shojai, O.M.D. New York Times best selling author of *The Urban Monk* and *The Art of Stopping Time* and Nick Polizzi author of *The Sacred Science* take you on a journey that encompasses a clear understanding of trauma where it comes from and how it affects every part of your life: an exploration of modern and ancient therapies and practices for healing real life tragedies, turning into stories of triumph, hope and survival. Drawn from the wisdom and insights of the world's top doctors, therapists and experts, *Trauma* will show you that no matter what you have endured, how long you have carried it or how deeply embedded it is, you can be free from pain and suffering. Your road to recovery and whole body healing is before you and with it, the richer and more profound connections that you seek with yourself and your loved ones. *You're Going to Be Okay* Madeline Popelka, 2023-09-12. Now in paperback, a hopeful and approachable book from the creator of HealingFromPTSD, the largest trauma healing community on Instagram, in which each chapter is inspired by the top performing posts from the page. Madeline Popelka is a trauma survivor who knows firsthand how some survivors can feel like they've lost themselves to trauma and that it might seem impossible to find the upside of a devastating experience. After Madeline was diagnosed with PTSD and began to heal, she felt a need to create a space where other trauma survivors wouldn't feel so isolated. She then founded HealingFromPTSD, which has grown into the largest trauma healing community on Instagram. In this hopeful and empowering book, there are 16 chapters, each reflecting a lesson or insight that Madeline gained along her healing journey. Among them: Trauma Doesn't Have an Expiration Date, Your Emotions Are Your Allies, You Weren't Meant to Heal Alone, Hold Space for the Goodness, Embrace the Ongoing Process. Writes Madeline: I'm sharing the 16 key lessons that I wish I learned sooner and the insights I gained that shifted my perspective and reduced my shame, with the hopes that they will do the same for you. I'm sharing what I needed to hear when I didn't get the encouragement I wanted from my friends, family or therapist. I'm sharing the thoughts that brought me comfort and peace when I was feeling isolated and I hope that by sharing my story, you feel less alone and are inspired to take your healing into your own hands. In *You're Going to Be Okay*, you'll learn that
