

A horror-themed game menu for 'Granny'. The background is a dark, dilapidated hallway with peeling walls and a patterned rug. In the center, a doorway is framed by a wooden border, through which a terrifying, pale, skeletal figure in a white nightgown stands holding a bloodstained axe. To the right, a dark staircase leads upwards. On the left side of the screen, there are three menu options: 'PLAY', 'MORE GAMES', and 'QUIT', each in a white serif font inside a dark rectangular button. A large, dark, stylized arrow points downwards from the top left towards the 'PLAY' button.

Marcys Granny:

Marcy's Granny Peaches Smith, 1996 Marcy cherishes the time she spends with her grandmother listening to stories about her people's past in Africa as slaves and striving for their freedom *Shake Terribly the Earth* Sarah Beth Childers, 2013-10-15 Sarah Beth Childers grew up listening to stories She heard them riding to school with her mother playing Yahtzee in her Granny's nicotine cloud walking to the bowling alley with her grandfather and eating casseroles at the family reunions she attended every year In a thoughtful humorous voice born of Appalachian storytelling Childers brings to life in these essays events that affected the entire region large families that squeezed into tiny apartments during the Great Depression a girl who stepped into a rowboat from a second story window during Huntington's 1937 flood brothers who were whisked away to World War II and Vietnam and a young man who returned home from the South Pacific and worked his life away as a railroad engineer Childers uses these family tales to make sense of her personal journey and find the joy and clarity that often emerge after the earth shakes terribly beneath us **From the Beginning of Always** Bonnie

Bachman, 2004-12 A little girl who cannot swim falls unseen and unheard off a large boat into the murky water of a deep lake On the opposite end of the boat her mother is suddenly infused with the knowledge of her daughter's accident and rushes to the precise location There all she can see is the child's tiny hand sticking out of the dirty water In another heartbeat the child would have simply vanished completely But because of the mother's sudden flash of insight she is able to arrive in the nick of time to rescue her precious child but what was the source of the insight Ten year old Teddy Boy is choking on a piece of meat gristle lodged in his throat Yet his mother who at the time had never even heard of the Heimlich maneuver nevertheless performs this very procedure masterfully And in so doing she saves her son's life but how did she possess such knowledge and skill These are two of many such incidents in the motherhood of Bonnie Bachman author of *From the Beginning of Always* *One Woman's Spiritual Odyssey Through Motherhood* In her illuminating true account spanning twenty five years the author attributes the answer to all the whats and hows in rearing her five children to the presence of God and the power of prayer throughout her motherhood Her narrative is alternately funny sad joyful poignant and inspirational The common thread weaving all these powerful elements together is Ms Bachman's deep unbounded faith in God This is a captivating and timeless story about a real mother real children and real life But above all it is a story of enduring love and ultimate triumph
