Women in the Work of Woody Allen Martin Hall,2025-10-01 Considering the current climate of the treatment of women in Hollywood following the Harvey Weinstein case many male celebrities have been brought forward on charges of sexual harassment including Woody Allen who has once again appeared in the press in relation to historic charges of molestation Within the context of the MeToo era this edited volume brings together researchers to consider how women are represented in the broader sphere of Hollywood cinema to consider the notion of the male perspective on writing women and to explore the various approaches to relationships with and between women on screen all through the lens of the work of Woody Allen While acknowledging the problematic consideration of the autobiographical nature of filmmaking this book explores the role and representation of women throughout Allen s films plays stand up comedy and other writings With more recent industrial attention towards the production of his work notably Amazon Studios refusing to distribute a completed film the work of Woody Allen remains markedly problematic and demands interrogation demonstrating the timeliness of this current volume
