## Marie I:

**Marie's Supportive Warmth (Contemporary steamy romance with love, support, and comfort)** Tamara Earthsong, 2024-11-18 With Jackson in the hospital Marie realizes she can't see a future without him at her side. When she receives terrible news about a friend of theirs, she struggles with whether or not she should tell Jackson. What if this news worsens his depression? He's already struggling with the ramifications of what he overheard at the wedding reception; can he bear anything else? She's starting to understand just how deep his depression runs, but it won't scare her away. She'll stop at nothing to help him heal. Distraught that the man she loves and many of her friends are going through such hard things, Marie does her best to support everyone to help their futures be bright and happy.
