Marked For Death:

Marked for Death Terry Gould, 2010-08-10 Worldwide nearly three quarters of journalists who die on assignment are targeted and assassinated for their dogged pursuit of important stories of injustice In *Marked for Death* Terry Gould brings this statistic to life by documenting the lives of seven journalists in Colombia the Philippines Bangladesh Russia and Iraq who had the guts to keep telling the truth in the face of threats from terrorists corrupt politicians gangsters and paramilitary leaders Gould brings us the lovers colleagues rivals critics and even the accused murderers of these courageous men and women searching for the moment in which these journalists understood that they were willing to die in order to get a story out Their compelling stories highlight how selflessly humans can love justice and their fellow citizens how dogged and resourceful people can be in attempts to thwart injustice how vital it is to show the defeated and the indifferent as well as the powerful and that there really are some things worth dying for

Marked for Death Geert Wilders, 2012-05-01 *Marked for Death* Fanatics terrorists and appeasers have tried everything to silence Geert Wilders Europe s most controversial Member of Parliament from putting him on trial to putting a price on his head But Wilders refuses to be silenced and one result is the book you have in your hands For years from his native Netherlands Wilders has sounded the alarm about the relentless spread of Islam in the West And he has paid a steep personal price enduring countless death threats and being forced into a permanent state of hiding Now for the first time Wilders offers a full account of his long battle against the zealots who have already slaughtered his countryman Theo van Gogh whose killer also threatened to murder Wilders himself In *Marked for Death* Wilders reveals How and why liberal politicians including Barack Obama downplay the Islamic threat The systematic suppression of free speech through lawsuits prosecutions threats and violence meted out against Islam s critics The untold story how Islamic groups are redefining human rights to suppress non Muslims everywhere The true bloody history of Islam s spread throughout the world How the West can defend itself against an existential enemy determined to conquer the globe Expelled from Britain banned from Indonesia denounced by the UN Secretary General prosecuted in court for his beliefs forced into government safe houses and constantly threatened with death Geert Wilders is unbowed and unapologetic *Marked for Death* is a stark warning about a growing threat to our liberties written by a man who has lost his freedom and would not see the rest of us suffer the same fate
