This book is the first of its kind to map out the organizing principles and cultural logic of marketing and trace the profession's ascent to global domination. Applbaum argues that marketing can be seen as a particular set of cultural practices that surfaced in reaction to the affluence of Western society and not the answer to the call of inherent human needs and wants. In order to understand globalization, transnational corporations and the spread of consumer culture one must understand the logic of marketing.

Channamma University, Belagavi. , this book is very informative and easy to understand by students **Principles of Marketing for a Digital Age** Tracy L. Tuten, 2019-12-28 Student led in its design and development the book incorporates digital marketing as central to what marketers do and combines quality examples, assessment and online resources to support the teaching and learning of introductory marketing in a digital age. The author integrates digital and social media marketing throughout the chapters and through student involvement in the development of it the text has been made to be approachable and to appeal to students with infographics, numerous images and an engaging writing style. It facilitates the flipped approach to classroom teaching and is supported by a number of features and activities in every chapter encouraging students to undertake course reading, class participation and revision. It includes case studies from global companies such as Airbnb, Amazon, Apple, Burberry, eBay, Etsy, Google, IKEA, Nespresso, Netflix, Nike, and Uber. It also takes a social view of marketing, featuring cases tied to the UN's PRME initiative to aid students in becoming sustainably minded individuals. The book is complemented by online instructor resources including chapter specific PowerPoint slides, an instructor manual, flipped classroom activities as well as open access multiple choice questions with solutions, videos, case studies, web links, a glossary and American Marketing Association AMA journal articles for students.
