*Say It Right* A.M. Arthur, 2016-09-12 After his parents kicked him out for being gay Marc Villegas lived on the streets before getting a second chance Now he's giving back by working at a shelter for LGBT teenagers because helping fight their demons keeps his own at bay Including his infatuation with the former best friend he's sure is straight Anthony Romano hasn't seen Marc since Marc left home eight years ago In his confidant's absence Anthony turned to heroin Now at rock bottom he has an offer from Marc to help him get clean Detox is hard and ugly but not as hard as admitting the truth he's in love with Marc Always has been Marc swore he'd never date an addict but he never dreamed the one in question would be the man he's always wanted to be with As the two explore their feelings for each other Marc faces a difficult choice Say yes and it could cost him his sobriety say no and it could cost him his heart Book two of the All Saints series One click with confidence This title is part of the Carina Press Romance Promise all the romance you're looking for with an HEA HFN It's a promise

Empanadas, Pupusas, and Greens on the Side Amelia Tseng, 2025 Washington DC has been a hub of Latin American immigration since the 1970s when many people fled conflict in Central America This community arrived to a complex majority African American city with a strong local culture and a legacy of racial segregation setting the stage for a unique identity formation Using an ethnographic approach Amelia Tseng explores how the uniquely diverse Latinx community used language to find its place in Washington and make space for itself in a city in the midst of change Focusing on the people Empanadas Pupusas and Greens on the Side is the first book that explores the language identity and belonging of the Latin American community within the nation's capital

Angel In The Moonlight Marie Patrick, 2008-04-01 Callie Maxwell wants nothing more than to find the men responsible for the violence committed against her family and bring them to justice She isn't about to let Austin Kincaide the by the book U S Marshal sent to solve the murders stop her Nor can she stop herself from falling in love with him even as she defies his orders not to interfere with his investigation As the Angel of Justice Callie's alter ego she rides in the moonlight daring the killers to try again Haunted by the memory of the woman he lost not once but twice first to the love of another man then to a tragic mistake which led to her death Austin in a man shackled by the self imposed rules he uses to protect his fragile heart Is Callie the woman with enough love in her heart to shatter Austin's rules and let him love again

**Political Authority and Provincial Identity in Thailand** Yoshinori Nishizaki, 2018-08-06 The powerful Thai politician Banharn Silpa archa has been disparaged as a corrupt operator who for years channeled excessive state funds into developing his own rural province This book reinterprets Banharn's career and offers a detailed portrait of the voters who support him Relying on extensive interviews the author shows how Banharn's constituents have developed a strong provincial identity based on their pride in his advancement of their province Suphanburi which many now call Banharn buri the place of Banharn Yoshinori Nishizaki's analysis challenges simplistic perceptions of rural Thai voters and raises vital questions about contemporary democracy in Thailand Yoshinori Nishizaki's close and thorough examination of the

numerous public construction projects sponsored and even personally funded by Banharn clearly illustrates this politician's canny abilities and tireless meticulous oversight of his domain. Banharn's constituents are aware that Suphanburi was long considered a backward province by other Thais notably the Bangkok elite. Suphanburians hold the neglectful central government responsible for their province's former sorry condition and humiliating reputation. Banharn has successfully identified himself as the antithesis to the inefficient central state by promoting rapid development and advertising his own role in that development through well publicized donations, public ceremonies and visits to the sites of new buildings and highways. Much standard literature on rural politics and society in Thailand and other democratizing countries in Southeast Asia would categorize this politician as a typical strongman, the boss of a semiviolent patronage network that squeezes votes out of the people. That standard analysis would utterly fail to recognize and understand the grassroots realities of Suphanburi that Nishizaki has captured in his study. This compassionate, well-grounded analysis challenges simplistic perceptions of rural Thai voters and raises vital questions about contemporary democracy in Thailand.
