

A black and white illustration of Margaret Fell, a Quaker leader, speaking from a pulpit. She is wearing a dark, high-collared dress and a white bonnet. Her right hand is raised in a gesture of speech, and she is looking towards the right. The pulpit is made of wood and has a decorative scroll on top. The background is dark and indistinct.

Margery Post Abbott,Mary Ellen Chijioke,Pink Dandelion,John William Oliver,2011-12-01 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful    **The Quaker World** C.
