Marital Brinkmanship:

Marital Brinkmanship Arthur Harry Chapman,1974 Bible Study for Busy Pastors and Ministers Reginald F. Davis,2011-02-25 Pastors and ministers have one of the most challenging jobs on Earth Of all their tasks one responsibility they cannot neglect is teaching the word of God Unfortunately church leaders seldom have enough time to prepare Bible studies for their congregation This book is a quick resource to help fill that gap These thematically arranged Bible studies each contain an introduction to a topic and a list of relevant Scripture readings for that topic Pastors can use the introduction to spark discussion within small groups or to focus on the specific themes during sermon writing This book will prove to be an invaluable resource for years to come **Society of Others** Rupert Stasch,2009-06-02 This important study upsets the popular assumption that human relations in small scale societies are based on shared experience In a theoretically innovative account of the lives of the Korowai of West Papua Indonesia Rupert Stasch shows that in this society people organize their connections to each another around otherness Analyzing the Korowai people s famous tree house dwellings their patterns of living far apart and their practices of kinship marriage and childbearing and rearing Stasch argues that the Korowai actively make relations not out of what they have in common but out of what divides them Society of Others the first anthropological book about the Korowai offers a picture of Korowai lives sharply at odds with stereotypes of tribal societies *Catalog of Copyright Entries.
