Mark Of The Beast:

The Mark of the Beast Revelation 13 Ezra Celestin, 2014-07-18 Christians view the mark of the beast as something futuristic The receiving of the mark of the beast commands the wrath and indignation of God and the consequences are severe Many Christians has already accepted the mark of the beast unbeknownst to them They do not have a clear vision as to whom or what is the beast Each denomination has their interpretation of the beast and how and when it will manifest The word says And the third angel followed them saying with a loud voice If any man worship the beast and his image and receive his mark in his forehead or in his hand the same shall drink of the wine of the wrath of God which is poured out without mixture into the cup of his indignation and he shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb Revelation 14 9 10 Many Christian denominations believe the prophecy points to the papacy as the beast However in scripture the Papal system has never been a beast is not a beast and will never be a beast To call that system the beast is to take the word of God on a very long stretch This horn functions both politically and as a Christian Church It persecuted and killed any Christian who disagrees with its dogmas The word says the Saints shall be given into his hand until a time and times and the dividing of time and he would come to his end unto the end Nowhere in scripture is it indicated that this horn power will regain its dominion to persecute the saints of God as it did for over twelve hundred years Then who is the beast This book has the answer Reviewed by Online Book Club Official Review The Mark of the Beast Revelation 13

The Mark of the Beast Billy Wilson, 2018-01-11 Man is a complicated piece of machinery created and operated by God From the beginning of time man has sought to control himself and everything around him Although man has made much progress he will never be able to attain complete control until he can overpower God a goal that even Lucifer could not accomplish Billy Wilson is a seasoned pastor who passionately believes that God is still in charge despite mans rebellion Within a comprehensive exploration of the Book of Revelation and mans determination to move away from God Wilson shares thoughtful reflections that carefully examine the good work of the Lord and Satans evil influence while pointing others to seek wisdom and guidance from the Spirit of God Through it all Wilson encourages Gods followers to read the Bible and loyally preach and explain the Word to man the one who ultimately holds the power to choose between right and wrong The

Mark of the Beast offers a pastors examination of the sixteenth chapter of the Bible as he reflects on the issues that Satan is causing in todays world and guides spiritual seekers to find hope within the Word of God **The Mark of the Beast** Trevor Ravenscroft,Tim Wallace-Murphy,1997-01-15 This book is the result of years of research into the history of the Spear of Destiny and the struggle between good and evil in the Western world For 2 000 years the Spear of Destiny purported to have pierced the side of Christ while he was on the cross has been sought by rulers of the Western world who have tried to harness the Spear s absolute power This book explores the odyssey of the Spear and its potential role in the Apocalypse Illustrated

The Mark of the Beast Godfrey Godfrey,2015-06-03 The Scriptures is full of codes which have been placed for human identification and gain The problem often is that man does not always have the resources to unlock these codes While acquisition of the keys to these codes is within human grasp most men have not disposed themselves to seeking the truth of the Lord God and getting the corresponding benefit that is promised man Much of the time we read the genealogies of Bible characters with the lethargy of reading a very uninteresting subject Much of the time we glance past many of these convinced there is nothing relevant in them for the modern man However there is a lot to learn and to uncover in the Bible Some of the greatest secrets and the most sought after secrets are actually cached in the supposed boring genealogies The Scriptures is replete with numbers Often these numbers have overwhelming value and significance One number that has continued to hold a mysterious grip on many and defy explication is the number 666 There can be no doubt that numbers in the Scriptures need to be studied Numbers are signs A survey of signs of the Lord easily reveal that most signs of the Lord God are revealed to the beneficiaries being almost always the people that the signs are meant for Thus studying a number or group of numbers should not be limited to scholastic approach There is a need to incline or dispose oneself to the Lord for the necessary revelation Anything short of this may lead to conjecture and wrong assumptions which may not stand rigorous empiricism The one Book of the Scriptures that holds information relating to the mark of the Beast is the Book of Revelation The interesting thing about the Book of Revelation as it concerns this number is that it was never supposed to defy interpretation It is the wisdom of the Lord God that this code be used and it is also the understanding that the Lord God Himself gives that can break this code of a number Rev 13 18 Here is wisdom Let him that hath understanding count the number of the beast for it is the number of a man and his number is Six hundred threescore and six We can see from verse 18 just above that 666 is the number of a man This is a bit ambiguous Most persons have misinterpreted it to be the number of a mans identification card or credit card When the Scriptures talks of a man in this case it is generalizing meaning generic man and not a specific person Thus we can see that the beast is actually human In actuality the beast is both spirit and man It is the product of a fusion of a spirit and a human female The product is conspicuously a man but latently a spirit It is man that has degenerated to a sub human level The beast does not have the number of a beast or the attributes of a beast but that of a man This is because the beast is actually human It is redolent of the analogy of defining the Devil as a Serpent Thus instead

of saying Devil the Scripture also uses Serpent while we are actually dealing with a being that is not a snake He is supposed to have been one of the best in Heaven Serpent is only used in analogy In the same vein beast is only a satirical application to a man who has refused to identify with the Lord God The Devil himself was the first beast the beast of Eden He came to the first people like a beast that is a serpent That is why he is known as the Serpent The anti Christ being one with the devil comes in the image and spirit of his father the Devil That is why he is equally known and addressed as the Beast The mark of the Beast is not placed on animals but on man It is a sign which incorporates the numbers of the Living God and the number of the Devil It is an unholy alliance which is detested by the Lord God and cursed Read this book and understand without the least ambiguity what the Mark of the Beast is really all about You shall have your money refunded you if you have a better explanation to this and can prove it **Rev 13: the Mark of the Beast: 666!** Anne Robare,2011* **Revelation and the**

Mark of the Beast Z. Richard Sawan M.D.,2011-08-17 No longer do I want you to be afraid of Revelation as I was but rather embrace the inevitable future that God has planned for us This book is a passport to the future of humanity and will explain the end times in simple ways for the most part based on Biblical interpretation and not on widely accepted views or mine Most of the prevalent views on Revelation that you have learnt or learning are incorrect Not knowing the future with respect to God s plan could jeopardize the timing of your salvation which could put one in the receiving end of God s plagues Revelation was written for us today in the end times and not for the Jews and ancient Romans 2000 years ago This book will prove this to be true beyond a shadow of a doubt Revelation cannot be interpreted without key scriptures in books in the Old Testament thus proving that there is divine intervention in the Bible as a whole It is impossible for different human authors to write so many different books with hundreds to thousands of years in between and have the same conclusions and interpretations IMPOSSIBLE We are presently near the end of the Great Tribulation with the Day of our Lord fast approaching Already five of the seven seals have been opened with the sixth approaching rapidly The beast of Revelation chapter 13 is alive and well and the mark of the beast is already in use A limited nuclear war is on the horizon and world domination by the Son of Satan by means of a 200 million man army would follow There is good news though Read this book

Donald Werner,2018-07-11 In the Book of the Revelation we see two mysterious signs people will receive the mark of the beast or the seal of God The Scripture clearly tells us that those with the mark of the beast will end up in the lake of fires with burning brimstone Yet those with the seal of God will end up in the New Jerusalem eating from the tree of life Revelation 12 9a that old serpent called the Devil and Satan which deceives the whole world Revelation 13 3b and all the world wondered after the beast Most all Christians are worshiping the beast today and think that they worship the true God I will show you their deception in the Scripture so you will be aware of it I will show you how you may avoid the mark of the beast and gain the seal of God The few ages of this book deal with God s sacred name Most of the Jews say it is too holy to use Most of the Christians don t know it Yet the Scriptures commands us to call on God with that name *Mark of the Beast* Harold D. Thomas,2010-02-04 Many are aware of perilous times we are facing have a conceptual understanding of end time signs and are experiencing various degrees of a deep gut wrenching fear due to pending unknowns However due to our human nature it is much easier to live in denial i e sleepwalking than to take a good hard look at what s going on and prepare for the One that will come in the twinkling of an eye Our continually worsening global economy political ineptitudes social decline and technological advancements are a prelude to and preparation for the prophetic entrance of the beast and the fulfillment of his mark as stated in Revelations Written almost 2 000 years ago in the last book in the Bible Revelation chapter 13 versus 16 17 warns us of a decisive event of great consequences that will occur during the last days Simply stated the mark s benefits and consequences will cause each person to make an eternal decision The mark of the beast will occur It s an absolute God s word states it Therefore questions that remain are when how and why The book Mark of the Beast Will explain why the aforementioned is occurring Will illuminate and expand your understanding of past and present social economic technological and political changes that are providing the foundation for the fulfillment of the prophetic mark of
