__ Praise for New Star Rising

You won't be disappointed if you're looking for a journey into a never explored futuristic world before

It is not a novel that can be skimmed through

Take your time and enjoy the new world that is presented to you

This novel is fascinating for its rich and complex story line set on multiple planets worlds

What an amazing book from start to finish

What is there not to like

I found myself digging into this book and disappointed at the end of it because I wanted more now rather than having to wait for the next book

A complex story line that draws you in then keeps you engaged

Nothing formulaic

Well thought out story

The science fiction components are consistent

Science fiction with real science

LaGrange points

I am so giddy

Roller coaster of a story following fabulous characters who move through varying planet and spacecraft environments whilst always dealing with a war that's not a war

Warring enemies setting each other up to eliminate another enemy

Throw in a neutral entity that does lots of dirty work and this book has all the makings for a great series

__ Cameron Cooper is the author of the Imperial Hammer series an Amazon best selling space opera series among others

Cameron tends to write space opera short stories and novels but also roams across the science fiction landscape

Cameron was raised on a steady diet of Asimov Heinlein Herbert McCaffrey and others

Peter F Hamilton and John Scalzi are contemporary heroes

An Australian Canadian Cam lives near the Canadian Rockies

Blood of the Cosmos Kevin J. Anderson, 2016-06-01

The second book in Kevin J Anderson's Saga of Shadowstrilogy a riveting science fiction epic

Anderson hits it out of the galaxy again

Booklist starred review on Dark Between the Stars

An epic space opera of the titanic conflict of several galactic civilizations against a life destroying force of shadows

a dark cosmic force that has swept through the undercurrents of the human interstellar empire

The intertwined plot overflowing with colorful ideas a large cast of characters and complex storylines spans dozens of solar systems alien races and strange creatures

As the second book of the trilogy opens the humans and Ildirans having narrowly escaped annihilation at the hands of the Shana Rei and their robot allies in Book One are desperate to find a way to combat the black cloud of antimatter of the Shana Rei

The mysterious alien Gardeners who had helped them previously turn out to be a disaster in disguise and because of them the world tree forests are again in danger

This opens up a second front in this galactic war

Believing they have found a way to stop their dreaded enemies a new weapon is tested but it's a horrible failure throwing the human race and its allies to the brink of extinction

Spacehounds of IPC (Sci-Fi Classic) E. E. Smith, 2023-12-26

In Spacehounds of IPC E. E. Smith crafts a compelling narrative that seamlessly intertwines thrilling interstellar adventure with

intricate technological speculation emblematic of the Golden Age of Science Fiction Set against the backdrop of the Interplanetary Commerce the story follows the exploits of a spacecraft crew as they navigate both cosmic dangers and corporate rivalry showcasing Smith's masterful blend of hard science and imaginative storytelling His use of richly descriptive prose and imaginative world building presents a vivid tableau of a future where human ingenuity confronts the mysteries of space E E Smith often heralded as the father of space opera drew upon his education in engineering and his passion for astronomy to create works that would resonate with readers fascinated by futuristic possibilities His experiences and vision of a technologically advanced society not only reflect contemporary scientific advancements but also express a faith in humanity's ability to conquer new frontiers Smith's own background as a World War I veteran and later as a businessman heavily influenced his portrayals of heroism and innovation Spacehounds of IPC is an essential read for enthusiasts of the sci fi genre particularly those who appreciate the pioneering themes of collaboration and ingenuity Smith's work not only entertains but also challenges readers to envision the universe's vast potential making it a timeless piece worthy of exploration

Triplanetary Edward Elmer Smith, 2018-05-25 *Triplanetary* was first serialized in *Amazing Stories* in 1934 and it later on formed the first of the Lensman series where it set the stage for what is one of the greatest space opera sagas ever written
