iPhone's camera you absolutely can. Scott leaves all the techno speak behind and instead treats the whole book as if it were just you and he out on a shoot with your iPhones using his trademark casual plain English writing style to help you unlock the power of your iPhone to make the type of pictures you never thought could be done with a phone. You'll learn which tools to use to make pro quality portraits in any lighting situation. How to create stunning landscape shots that people will swear you took with an expensive DSLR or mirrorless camera. Proven posing techniques that flatter your subject and make anyone you photograph look their very best in every shot. How to organize and edit your photos like a pro. The pros' top tips for making amazing shots of everything from flowers to product shots from food photography to travel shots and everything in between. Each page covers a single concept, a single tool or a trick to take your iPhone photography from snapshots to shots that will make your friends and family say "Wait, you took this?"
