**Broadcasting & Cable**, 2009    **Evidence-Based Recruiting: How to Build a Company of Star Performers Through Systematic and Repeatable Hiring Practices** Atta Tarki, 2020-01-24

Develop and execute systematic best in class hiring practices to seize and hold the competitive edge in your industry. Defending your business from the competition through regulations, differentiated technologies, brand recognition, and other methods is no longer a sustainable competitive advantage. In today's fast-paced, ever-changing business environment, you must take an offensive stance to keep your competitors at bay. And this groundbreaking guide provides the inspiration, the know-how, and the tools you need to achieve it. This book guides you through the process of designing and implementing a data-driven hiring strategy that will secure your business for the foreseeable future. Revealing how today's top innovators, including Netflix and Google, dominate their industries, it shows how you can do the same by implementing systematic and repeatable processes that lead to better, more consistent hiring outcomes. You'll learn how to Envision an evidence-based approach to hiring, Distinguish useful data from the data you don't need, Use the best technologies to achieve your recruitment goals, Build an effective talent acquisition team, Improve on the job success predictions, Design well-defined and objective measures to improve hiring outcomes, Avoid the most common hiring pitfalls. Data and analytics have been reshaping countless industries as they turn from anecdotal to evidence-based practices. The recruiting and hiring processes, however, have been intuition-based. That changes today. Evidence-Based Recruiting introduces an entirely new approach, one that relies on irrefutable facts and data, enabling you and your organization to thrive in the new era of talent acquisition.

It s hard for me to say this knowing the great feedback most of my peers had for you but at this stage for our business in India we just require someone who has some more entertainment marketing experience than you do Hence we wouldn t be taking your candidature forward for this position When Issac quit his dream job of Head of Marketing at PUMA in 2015 and took a career break to study screenwriting in New York little did he know what he had signed up for Over the next eighteen

months he would face over a hundred rejections from famed brands headhunters publishers talent agencies and producers After being rejected in the final interview rounds of brands like Uber Netflix and Airbnb he slowly and steadily clawed his way back into a mainstream career Issac went on to lead a team of over a hundred people at Discovery having built their direct to consumer OTT business in Asia Pacific discovery and has authored two books all in a span of five years since that career break Over the past two years Issac spoke to more than fifty working professionals all of whom went through a break in their career for various reasons Reboot is an intimate honest and rich compendium of all those experiences mistakes lows and highs that people confronted with a career break go through It shares the message that no matter the odds you are up against a career break is always temporary and in many cases it can even prove to be life changing
