## **Masterless Men:**

*Masterless Men* Keri Leigh Merritt, 2017-05-08 Analyzing land policy labor and legal history Keri Leigh Merritt reveals what happens to excess workers when a capitalist system is predicated on slave labor. With the rising global demand for cotton and thus slaves in the 1840s and 1850s the need for white laborers in the American South was drastically reduced creating a large underclass who were unemployed or underemployed. These poor whites could not compete for jobs or living wages with profitable slave labor. Though impoverished whites were never subjected to the daily violence and degrading humiliations of racial slavery they did suffer tangible socio economic consequences as a result of living in a slave society. Merritt examines how these masterless men and women threatened the existing Southern hierarchy and ultimately helped push Southern slaveholders toward secession and civil war

**Masterless Men** A. L. BEIER, 2023-10-02 Masterless Men 1985 examines the nature of vagrancy in Tudor and Stuart England an issue that many contemporary authorities regarded as their most serious social problems. It looks at why vagrancy was felt to be such a threat to the stability of the country and the steps the authorities took to overcome the problem

**Kerrivan** Eldon Drodge, 2001 In the mid to late 1700s a group of desperate men mostly deserters and escaped prisoners as well as indentured men and boys who had run away from their fishing masters secluded themselves in the wilderness on the Southern Shore of Newfoundland's Avalon Peninsula. Led by Peter Kerrivan himself a deserter from the British Navy these renegades predominantly Irish established their hideout on or near The Butterpot a small mountain about nine miles inland from Ferryland. Defying the law and evading all attempts made to capture them they survived on the great caribou herds that roamed the barrens and by raiding the fishing settlements along the coast. Known as the Society of Masterless Men their legend is one of the most exciting and daring in Newfoundland's rich and colorful past

**Explaining the English Revolution** Mark Stephen Jendrysik, 2007-01-01 Explaining the English Revolution studies the years 1649 to 1653 from regicide to the establishment of the Cromwellian Commonwealth during which time English writers took stock of a disordered England stripped of the traditional ideas of political moral and social order and considered the possibilities for a politically and religiously reordered state

**Reparations and the Theological Disciplines** Michael Bartram, Drew G. I. Hart, Gimbiya Kettering, Michael J. Rhodes, 2023-10-10 Historically many churches and theologians defended and supported race based slavery and subsequent forms of racial hierarchy and violence. The essays in Reparations and the Theological Disciplines argue that it is urgent that the theological disciplines engage the issue of reparations by revisiting Scripture and our theological traditions. The time is now for remembrance reckoning and repair
