place The Life You've Always Wanted offers modern perspectives on the ancient path of the spiritual disciplines. But it is more than just a book about things to do to be a good Christian. It's a road map toward true transformation that starts not with the individual but with the person at the journey's end, Jesus Christ. As with a marathon runner, the secret to finishing a race lies not in trying harder but in training consistently, training with the spiritual disciplines. The disciplines are neither taskmasters nor ends in themselves. Rather, they are exercises that build strength and endurance for the road of growth. The fruit of the Spirit—joy, peace, kindness, etc.—are the signposts along the way. Paved with humor and sparkling anecdotes, *The Life You've Always Wanted* is an encouraging and challenging approach to a Christian life that's worth living a life on the edge that fills an ordinary world with new meaning, hope, change, and joy.

Many Paths, One Destination Ram Ramakrishnan, 2010-02

the Grail Mysteries Grailmaster, Timothy A. Storlie, 2001-04-24. Significant new spiritual impulses come into our world through the strivings and invocations of unique men and women who have achieved a close attunement with the invisible guides of humanity known in Hermetic terms as Spiritual Hierarchy. The Temple of the Holy Grail is a new spiritual impulse given in the latter quarter of the twentieth century. It is a mystery school designed to empower spiritually mature women and men with Hierarchical attunement for esoteric world service. Thus Hierarchy has created an initiatic mystery school based not upon secrecy but accessibility and not upon hidden geographical centers but a worldwide virtual platform. T H G is not dependent upon secret adepts but upon self empowerment. It is focused not merely upon the spiritual achievements of the past but upon the coming generation of spiritually gifted individuals who are attuning themselves to Divine Will and Hierarchy. T H G exists to facilitate the empowerment of those spiritually talented individuals who have the potential to contribute wonderful new achievements of soul and spirit for the sake of the New Humanity. It is a tool to be used by such people.
