Debra Moon,2003 In what has emerged as one of the most desirable places to live at the turn of this new century the journey  
of Chico since its inception is one of growth as well as remembrance A rich cultural heritage is as responsible for  
development of this diverse community as its fertile soils were in creating an economic stronghold From the traditions and  
teachings of the Mechoopda Indians to its present day reputation as an educational bastion Chico serves as a backbone of the

**Road** Andy Mark,2020 Series title taken from publisher website      The West Branch Mill of the Sierra Lumber Company  
Andy Mark,2012-10-16 In the late 1800s the green gold of California s inland timber belt included the long coned sugar pine  
and cinnamon dusted ponderosa pine of Big Chico Creek Canyon Tucked into the steep terrain of present day Butte and  
Tehama Counties the bustling West Branch Mill logging operations moved timber from the foothills east of Chico to waiting  
markets in Sacramento Marysville and San Francisco Local author Andy Mark recounts the lesser known history of the West  
Branch Mill recalling a time when resident physician Newton T Enloe treated the daring men who faced daily peril John  
Bidwell s bumpy and sometimes treacherous Humboldt Wagon Road was essentially the only route to town and Big Chico  
Creek was lined with an elevated flume running lumber and ambulance rafts      The Humboldt Wagon Road Marti  
Leicester,David Nopel,2012 This book offers readers an opportunity to ride the historic Humboldt Wagon Road from Chico to  
Susanville through images that have been collected since the 1860s Many never before published photographs and oral  
histories tell a story of people who established what has been called this small corner of the West In the 1850s John Bidwell a  
California pioneer agriculturist businessman and politician envisioned a freight and passenger route that would connect San  
Francisco the Sacramento River and his newly established community of Chico He wanted it to cross the mountains to the  
gold and silver mines in Idaho and Nevada Bidwell financed constructed and opened the road for horses wagons  
stagecoaches and eventually trucks and automobiles From the Civil War era until the present the road has carried everything  
from lumber to tourists      Railfan & Railroad ,2003      **AB Bookman's Weekly** ,1997      **Railfan** ,1977      Live Steam
