Matchstick Love:

Pèace De Résistance Immanuel Garcia, 2017-04-04 A poetry haven of work heavy dust The finest runts of some linguistic psyche Spoken word and slam poetry lovers of all shades listen to the sounds of a poet finding the closest words he could snatch while in some form of young buck peril The following are observational bits of word graffiti that speak out on what feels ripe for commentary These poems are for those worth admiring and despising They are of a rather quick to dissect nature but perhaps it is their immaturity that tells a more honest story These words are worthy every fault and insecurity and just enough to quite possibly conquer the likes of some overwhelmingly parched soul **Matchstick Love** Annie Sparrow, 2004-09-28

When Amy is promoted in her new job she sees it simply as one more perfectly orchestrated perfectly executed career move hardly a surprise considering her astute nature and determined motivation Indeed surprises are something she is unaccustomed to at work where everything is run with the smooth precision and efficiency that has earned Amy her unrivalled success That is until she meets Greg Hamilton Lawrence entrepreneur in business and women alike Beneath his veneer of sultry stares and mischievous grins however lies a motivation equal only to Amy's But where fiery passions and icy tempers combine there lies a recipe for explosion **In the Eyes of Mr Fury** Philip Ridley, 2016-12-06

On the day Concord Webster turned eighteen the Devil died The Devil's real name was Judge Martin but Concord's mother called him the Devil She said he boiled babies for dinner and made lampshades out of human skin So why did she who hated him so venomously have a key to his house The key will unlock more than just Judge's front door It will also unlock a multitude of stories where magic children talk to crows men disappear in piles of leaves and James Dean lookalikes kiss in dark alleys and reveal a secret history that will change Concord's life forever Philip Ridley's second novel following the sexually charged tour de force *Crocodilia* was an instant cult classic when originally published in 1989 Now for this new edition Ridley has reimagined the story expanding the original short novel into the world's first LGBT magical realist epic A vast labyrinthine hall of mirrors saga its breathtaking imagery and stunning plot twists covering over a hundred years reveal Ridley to be one of the most distinctive and innovative voices in contemporary fiction *Conjuring the Commonplace: A*
