Stubbs, 2009-10-01 This ninth volume in the Brazos Theological Commentary on the Bible offers a theological exegesis of Numbers This commentary like each in the series is designed to serve the church through aid in preaching teaching study groups and so forth and demonstrate the continuing intellectual and practical viability of

theological interpretation of the Bible The Brazos Theological Commentary exists to provide an accessible authority so that the preacher's application will be a ready bandage for all the hurts of life The Brazos Commentary offers just the right level of light to make illuminating the word the joy it was meant to be Calvin Miller author of A Hunger for the Holy and Loving God Up Close **Leviticus, Numbers, Deuteronomy** David Weston Baker, David Baker, Dale A. Brueggemann, Eugene H. Merrill, 2008 The Cornerstone Biblical Commentary provides students pastors and laypeople with up to date evangelical scholarship on the Old and New Testaments It is designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God's Word by presenting the message of each passage as well as an overview of other issues surrounding the text Publisher **Encountering the Old Testament (Encountering Biblical Studies)** Bill T. Arnold, Bryan E. Beyer, 2015-08-11 This new edition of a bestselling evangelical survey of the Old Testament over 180 000 copies sold has been thoroughly updated and features a beautiful new interior design It is lavishly illustrated with four color images maps and charts and retains the pedagogical features that have made the book so popular chapter outlines objectives and summaries study questions sidebars featuring primary source material ethical and theological issues and contemporary applications lists of key terms people and places further reading recommendations endnotes and indexes The book is supplemented by web based resources through Baker Academic's Textbook eSources offering course help for professors and study aids for students **An Annotated Guide to Biblical Resources for Ministry** David R. Bauer, 2011-04-01 David Bauer's Annotated Guide to Biblical Resources for Ministry is without doubt the most complete and up to date practical bibliographic compendium on the Bible now available All interpreters of Scripture pastors and teachers will find the information provided here useful and accessible Especially valuable are the annotations of selected books which offer careful and informed judgments about the usefulness of the works and provide succinct but informative and accurate descriptions and evaluations of each book While Bauer is a New Testament teacher his choices and assessments in the Old Testament bibliography are as good as any Old Testament scholar could produce I do not know of any comparable work for pastors and teachers Patrick D Miller Charles T Haley Professor of Old Testament Theology Princeton Theological Seminary This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly recommended Virtually every topic in biblical studies is noted commentaries on each book of the Bible biblical histories theologies and ethics books on the canon archaeology early Judaism and interpretive methods and technical books such as grammars concordances Bible dictionaries and atlases The great strength of this guide is not only that it provides the reader with a wealth of information but also that the format it follows is eminently reader friendly The Guide is invaluable for assisting the student seminarian or minister in building a personal library I highly recommend it Jack Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological

Seminary in Virginia This book provides pastors and church workers with a map for navigating the maze of biblical studies It offers an extensive list of resources with helpful comments and recommendations that help readers discover which books will be of most interest to them The consistent focus is on volumes that are attentive to faith concerns and thus most promising for use within faith communities A valuable tool for any minister or church worker committed to taking the Bible seriously

Mark Allan Powell Professor of New Testament Trinity Lutheran Seminary **The Sin of Moses and the Staff of God**

Johnson Lim Teng Kok, 2018-07-17 According to the opinio communis of the exegetes the sin of Moses is one of the most difficult conundrums to resolve in the history of interpretation This Pentateuchal puzzle has not only perplexed ancient and modern exegetes but has also produced a multiplicity of answers A plethora of explanations proposed by exegetes on the sin of Moses appears to be strong on conjectural ingenuity but weak on textual evidence A fresh exegetical probe is therefore warranted using a hermeneutical strategy whereby a narrative approach is attempted in order to understand Num 20 1 13 in the light of Exodus 17 1 7 These narrative analogies are part of a distinctive feature in the Hebrew narrative style labelled Type scene The main thrust of this book is that the sin of Moses recorded in Numbers 20 1 13 is linked to the unlawful and wilful act of trifling with the sacred staff in striking the rock This is because the staff of Moses has already become the staff of God Exod 4 20 17 9 Moses abuse and misuse of the staff constitutes an act of lese majeste because it is seen as an act of rebellion against YHWH s authority Inevitably Moses eclipses YHWH s personality presence and power in the eyes of the people His condign punishment is the forfeiture of the privilege of leading the people into the Promised Land **NIVAC Bundle 1: Pentateuch**

John H. Walton, Roy Gane, Daniel I. Block, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written Essential Bible Study Tools for Ministry

Professor David R. Bauer, 2014-03-18 This up to date highly selective bibliography is designed to acquaint students and ministers with major works significant publishers and prominent scholars in biblical studies It is the perfect guide for beginning a research project or building a ministerial library References are included based on the following considerations 1 usefulness for the theological interpretation of the Bible within the context of the faith of the church 2 significance in the history of

interpretation and 3 representation of evangelical and especially evangelical Wesleyan scholarship *A Survey of the Old Testament* Andrew E. Hill, John H. Walton, 2000 A Survey of the Old Testament goes far beyond simply rephrasing biblical material to provide balanced insights on the literary historical and theological issues of each Old Testament book and of the Old Testament as a whole This revised edition makes the exceptional scope of the first edition more accessible to contemporary readers A redesigned interior complete with new visuals maps photos timelines and charts makes this book more attractive and useful than ever Treating the books of the Old Testament in the order of the English canon A Survey of the Old Testament explores the purpose and message of each book and shows how its literary structure has been applied to accomplish the intention of its inspired author The book also introduces the reader to issues such as Israelite and Near Eastern history archaeology the formation of the canon and geography Written by two widely respected scholars and educators A Survey of the Old Testament is designed to help readers develop a broad grasp of the Old Testament **The American Church Review Volume XLII July-December, 1883 Whole Number 151** Rev. Henry Mason Baum, Edited By., 1883 **Literature of Theology** John Fletcher Hurst, 1896 *Catalogue of the Library of Princeton Theological Seminary*, 1886 **Journal of the Royal Society of Arts**, 1877 **The Saturday Review of Politics, Literature, Science and Art**, 1871 **Literature and Belief**, 1989 **Notes and Queries**, 1873 *The Term Catalogues, 1668-1709, (A.D.; with a Number for Easter Term, 1711 A.D.): 1683-1696* Edward Arber, 1905 **JOURNAL OF THE SOCIETY OF ARTS**, 1877 Number Charles Girdlestone, 1875
