The Old Nurse's Story and Other Tales is a collection of eleven short stories from the much loved Victorian author Elizabeth Gaskell The title story follows the strange and supernatural happenings which have affected four generations of the Furnivall family who live in a spooky gothic mansion in the midst of a bleak and deserted moorland A haunting and atmospheric collection of spooky short stories which fans of Emily Brontë's *Wuthering Heights* and Henry James's *The Turn of the Screw* will also enjoy Elizabeth Gaskell 1810-1865 is an enduringly popular and highly regarded English novelist Born in Chelsea London Elizabeth was sent to live with her aunt in Knutsford Cheshire after her mother died a place which would provide inspiration for some of her most popular works including *Cranford* A sociable and lively young woman Elizabeth married Minister William Gaskell in 1832 and settled in Manchester An industrial hub and the scene of much political and social change her time in Manchester influenced much of her writing Her first novel *Mary Barton* focussed on the appalling and impoverished living conditions of those living in Northern industrial cities and was a huge success sparking the interest of notable figures such as Charles Dickens who invited Elizabeth to contribute to the periodicals he edited An active humanitarian her works dealt sympathetically with the plight of the poorest in society and she did not shy away from controversial topics such as prostitution and illegitimacy A close friend of Charlotte Brontë Elizabeth also wrote a highly acclaimed biography of the author in 1857 Some of her best known and most loved novels include *Cranford* *North and South* and the posthumously published *Wives and Daughters* all of which have been adapted for TV by the BBC most recently *Cranford* starring Judi Dench Michael Gambon and Greg Wise Elizabeth Gaskell is regarded as one of the most important novelists of the Victorian era **Journal of the Department of Agriculture**, 1923 *The Old Nurse's Stories II* Gaskell E.C., Elizabeth Cleghorn Gaskell was an English novelist biographer and short story writer Her novels offer a detailed portrait of the lives of many strata of Victorian society including the very poor and are of interest to social historians as well as lovers of literature *The Old Nurse's Stories II* is a collection of three beautifully written and gripping tales including *Crowley Castle* which is set in eighteenth century England featuring a love triangle of sorts **Arboretum et fruticetum Britannicum; or, The trees and shrubs of Britain ... pictorically and botanically delineated, and scientifically and popularly described ...** John Claudius Loudon, 1838 **Arboretum et fruticetum britannicum, or: The trees and**
