Nurturing Souls:

Nurturing the Souls of Our Children Robert Mitchell, 2005 The Sin of Obedience is one of the few works of fiction or non fiction that looks profoundly and with deep personal reflection into the training of a Catholic priest. The novel rich and accurate in detail is the story of a young prodigy torn with between the rigid religious traditions and convictions of his mother and the more humanity oriented respect for freedom of his father. Building on his own experiences including being the subject of sexual abuse by a seminary teacher the author unfolds a picture of religious life in which the cornerstones of celibacy and a vow of obedience have forced seminarians and priests to make difficult and often impossible decisions in their own personal lives. This well crafted story enables the reader to go along with a young boy seminarian and priest on his idealistic pursuit and mission and the consequences he has to face as a result.

Simon,2018-02-10 Learn Inner Nurturing and End Emotional Eating If you regularly eat when you re not truly hungry choose unhealthy comfort foods or eat beyond fullness something is out of balance Recent advances in brain science have uncovered the crucial role that our early social and emotional environment plays in the development of imbalanced eating patterns When we do not receive consistent and sufficient emotional nurturance during our early years we are at greater risk of seeking it from external sources such as food Despite logical arguments we have difficulty modifying our behavior because we are under the influence of an emotionally dominant part of the brain The good news is that the brain can be rewired for optimal emotional health When Food Is Comfort presents a breakthrough mindfulness practice called Inner Nurturing a comprehensive step by step program developed by an author who was herself an emotional eater You ll learn how to nurture yourself with the loving kindness you crave and handle stressors more easily so that you can stop turning to food for comfort Improved health and self esteem more energy and weight loss will naturally follow *Nurturing Your Child's Soul* Timothy Jones,2006-09 Many of us worry about our kids getting pulled under by our culture s negative currents We try to shout over the roar of media blitzes misguided values in the schools and peer pressure And we wonder how to raise faithful children For parents who sometimes feel they haven t done enough Jones provides ideas for taking small steps toward communication and intimacy showing you how to take advantage of teachable moments by fully focusing on the present **The Open Court** ,1916 7 Divine Laws to Awaken Your Best Self Swami Mukundananda,2020-12-30 Just as heat is inherent in fire so is our desire to become better

Why are personal growth and life transformation so difficult Does Creation wish that we fail Of course not The purpose behind the Universe s grand design is to make us succeed Our own unawareness of the laws of the Universe creates the impediment Just as physical phenomena are regulated by laws there are spiritual principles governing the journey of life as well Knowledge of them helps us understand why success comes so easily to some but remains a struggle for others why some are still putting on their shoes while others have finished the race The beauty is that like the physical laws of nature the divine principles governing happiness and fulfilment in life are also eternally valid In this book Swami Mukundananda explains the 7 divine laws in an easily graspable manner With knowledge of the Vedic scriptures and witty anecdotes that everyone can relate to this book will empower you to become the best version of yourself *Homilies on Christian Work*
