Children's Care, Learning & Development

Penelope Rawson • Keith Bullman • Helen Birch

"Young is the first
company we go to for books.
Lynda Preston, City Centre
Training, Thamey"

This book is written specifically for the new 2008 requirements for Children's Care, Learning and Development. It provides comprehensive coverage of the knowledge and understanding required for the Level 3 mandatory unit and a selection of popular option units from groups 1 and 2. The book is packed with colour photos and diagrams to make life easier and accessible for all candidates.

The book's additional features:

- an exciting mixture of colour illustrations, diagrams, diagrams, colouring and line art.
- case studies with questions to help you check your knowledge and skills.
- ways to good practice, providing practical checklists for better practice and application.
- different ways to practice, encouraging you to evaluate your own performance.
- self-assessment activities at the end of each unit – try them out to see how much you have learned.

The authors also write the best-selling books for NVQ300 Early Years Care and Education, using their extensive experience in working with children and helping candidates to achieve qualifications. You can buy combination study books of relevant units presented together – just look for the book for your level 3 group.

Modern Early Childhood Teacher

Education: Theories and Practice Badea, Mihaela,Suditu, Mihaela,2024-01-22 Early childhood education is the decisive period of a student's life experience where the foundations for lifelong learning are laid. A dynamic interplay of individual and collective experiences unfolds within its organized environment fostering holistic growth development and the safeguarding of young minds. The significance of these formative years cannot be overstated they are a cornerstone of education shaping more than half of an individual's future learning trajectory. In a world driven by international imperatives and national priorities the establishment of robust early education policies has emerged as a pressing need within the broader Early Childhood Development program. *Modern Early Childhood Teacher Education Theories and Practice* delves into the multifaceted tapestry of early school education dissecting its historical underpinnings while navigating the complexities of contemporary educational paradigms. The book unfurls a comprehensive exploration of diverse global early schooling systems dissecting their historical trajectories and contemporary challenges. It assumes the role of a scholarly guide not only for practicing early education teachers but also for aspiring educators preparing to embark on their journey into the realm of pre school and primary education. Additionally it stands as a forum for the global exchange of pedagogical insights fostering a community of academics researchers and practitioners committed to advancing the field of early education. The pages of this book resonate with the echoes of critical topics such as contemporary challenges in early schooling systems innovative teaching resources tailored for young learners the intricate nuances of digital education in the formative years and the pivotal role of early education as a catalyst for broader educational and cultural policies.
