An introduction to the Tarot, The art of Tarot card reading is centuries old and is believed to originate in Ancient Egypt. The name Tarot is believed to be a reference to the Ancient Egyptian Book of Thoth and have connections to Isis, one of the oldest goddesses present within the ancient culture. Tarot decks were traditionally used throughout Europe as simple playing cards and only became essential tools of Divination in the early 1500s. The earliest recorded use of Tarot cards as tools of Divination is present within the book *The Oracles* of Francesco Marcolino da Forlì which dates back to 1540. Tarot Cards, What are they? Tarot Cards are pictorial representations and archetypes of events, energies and emotions we are likely to encounter throughout our lives. Tarot Cards can indicate determination, financial success, patience, new beginnings, joy, togetherness, loss, reflection, heartache and many other important ideals. The Tarot can help us to know ourselves more intimately and to understand why things happen to us. The Tarot acts as a mirroring of our own personal philosophy and psychology due to the fact that a card's meaning can only be unlocked by an individual's perception. A Tarot deck normally includes 78 cards: 22 Major Arcana cards and 56 Minor Arcana cards.
