*Understanding Self and Others in the Postmodern World* Richard E. Bailey Ph. D.,2013 Understanding Self and Others in the Postmodern World is unlike most books directed at giving people insight into themselves in that it is addressed to those who want to think about their lives relationships with others and how Western culture has arrived at the Postmodern World This book examines seven different worldviews that have become dominant for periods of time in the history of Western culture The author explains that although all worldviews share the same structure and characteristics they vary markedly in their contents Further a worldview molds those entering it after its own image Those readers 1 who identify their own assumptions about the nature of reality what it means to be a human being and the truth will gain insight into themselves And identifying the assumptions held by others on these matters will give the reader insight into them The problem in the Postmodern World is that we live and work with people who live in these different worlds That situation has invited disagreement and conflict which unresolved has led to the chaos that is characteristic of our time The solution before the nations of the West is that each citizen must grant to all others the same rights to life liberty and the pursuit of happiness he or she claims for him or herself      **Holy City of the Wichitas** Jacqulein Vaughn Lowry,2009 It is a trip back in time only 100 miles from Oklahoma City and northwest of Lawton In the time line of history the Holy City of the Wichitas is just a youngster at 84 years old Here the future is spoken of as well as the past The Holy City is now as it has always been Visitors can walk the pathways feel the boulder clad buildings be married in the breathtakingly beautiful chapel and see the Prince of Peace pageant The original setting was five miles to the east in mountainous Medicine Park Many events had been set in motion for this time in history the economy of the day the arrival of a slightly built young minister with a magnificent dream and a president of the United States Franklin Delano Roosevelt who was willing to become involved      **A Compilation of Works Listed in Granger's Index to Poetry, 1904-1978** Granger Book Co,1980      **The Edinburgh Review ,1929**
