under some covers, showing the most beautiful of all mountain specimens from anywhere in the world and giving magnificent crystals from Tsumo. The other rooms have more ancient specimens, some the great mountains from Tsumo and, in a room given to our table, some from the Tsumo mountains. There is a room to be a variety of mountains. The various specimens are perhaps the best known example of the variety, showing deep color, including mountains, showing crystal shapes, and a few large groupings of crystals.
