**The Master's Indwelling** Andrew Murray, James Zimmerhoff, 2017-08-06 The apostle here speaks of two stages of the Christian life two types of Christians I could not speak unto you as unto spiritual but as unto carnal even as unto babes in Christ They were Christians in Christ but instead of being spiritual Christians they were carnal I have fed you with milk and not with meat for hitherto ye were not able to bear it neither yet are ye able for ye are yet carnal Here is that word a second time For whereas this is the proof there is among you envying and strife and divisions are ye not carnal and walk as men For while one saith I am of Paul and another I am of Apollos are ye not carnal Four times the apostle uses that word carnal In the wisdom which the Holy Ghost gives him Paul feels I can not write to these Corinthian Christians unless I know their state and unless I tell them of it If I give spiritual food to men who are carnal Christians I am doing them more harm than good for they are not fit to take it I cannot feed them with meat I must feed them with milk And so he tells them at the very outset of the epistle what he sees to be their state In the two previous chapters he had spoken about his ministry being by the Holy Spirit now he begins to tell them what must be the state of a people in order to accept spiritual truth and he says I have not liberty to speak to you as I would for you are carnal and you cannot receive Spiritual truth That suggests to us the solemn thought that in the Church of Christ there are two classes of Christians Some have lived many years as believers and yet always remain babes others are spiritual men because they have given themselves up to the power the leading and to the entire rule of the Holy Ghost If we are to obtain a blessing we must first decide to which of these classes we belong Are we by the grace of God in deep humility living a spiritual life or are we living a carnal life Then let us first try to understand what is meant by the carnal state in which believers may be living We notice from what we find in Corinthians four marks of the carnal state First It is simply a condition of protracted infancy You know what that means Suppose a beautiful babe six months old It cannot speak it cannot walk but we do not trouble ourselves about that it is natural and ought to be so But suppose a year later we find the child not grown at all and three years later still no growth we would at once say There must be some terrible disease and the baby that at six months old was the cause of joy to every one who saw him has become to the mother and to all a source of anxiety and sorrow There is something wrong the child can not grow It was quite right at six months old that it should eat nothing but milk but years have passed by and it remains in the same weakly state Now this is just the condition of many believers They are converted they know what it is to have assurance and faith they believe in pardon for sin they begin to work for God and yet somehow there is very little growth in spirituality in the real heavenly life We come into contact with them and we feel at once there is something wanting there is none of the beauty of holiness or of the power of God's Spirit in them This is the condition of the carnal Corinthians expressed in what was said to the Hebrews You have had the Gospel so long that by this time you ought to be teachers and yet you need that men should teach you the very rudiments of the oracles of God Is it not a sad thing to see a believer who has been converted five ten twenty years and yet

and what it means to deny the flesh Andrew Murray also turns his attention to humility death to self and surrender as marks of a Christian crucified with Christ The Master's Indwelling also discusses the role and importance of joy and faith in the life of a growing Christian ending with the important point that God may be all in all in each of our lives Like several other Andrew Murray classics The Master's Indwelling should be required reading for any Christian truly wanting to grow in Christ

*The Masters Indwelling* Andrew Murray,2013-07 What are the marks of a little child One is a little child cannot help himself but is always keeping others occupied to serve him What a tyrant a baby in a house often is The mother cannot go out there must be a servant to nurse it it needs to be cared for constantly God made a man to care for others but the baby was made to be cared for and to be helped So there are Christians who always want help Their pastor and their Christian friends must always be teaching and comforting them They go to church and to prayer meetings and to conventions always wanting to be helped a sign of spiritual infancy **The Master's Indwelling and Waiting on God** Andrew Murray,2017-03-11
