**A Mistaken Match** Whitney Bailey, 2017-10-01 MATRIMONY MIX UP Hoping for a fresh start Ann Cromwell travels to New Haven Ohio from London England as a mail order bride and learns she's not the wife her groom to be was looking for Though handsome farmer James McCann is kindly he's made it clear he wants the matchmaking agency to fix their mistake But if she can't convince him to give her a chance she's not sure where she'll go James can't imagine why the matchmakers ignored his request for a plain bride He was burned by a beautiful woman before and he's sure someone as stunning as Ann is unsuited for rural living While the agency sorts out the error though Ann quietly works her way into James's life but can he ever allow her into his heart **Matched by Mistake** Hanna Jo Abbott, 2025 I wasn't looking for love Usually I'm just looking for my keys that I've lost for the millionth time Instead I found a business card for a matchmaking service Since my own dating history is a spectacular dumpster fire of crazy I figured why not let someone else find me the perfect guy After filling out a questionnaire longer than my college application the one for a college I never attended I'm pretty sure this match maker knows me better than my own mother Surely she can find my match The only problem He's nothing like me Ethan is all about five year plans and organized spreadsheets And I have five part time jobs because I get bored easily He overanalyzes everything and I haven't read the fine print in my life I'm not sure we belong in the same universe let alone on a date But the matchmaking service must know something I don't right Either that or I just paid good money to be completely totally and epically wrong about love again
