## Matched Pearls:

*Matched Pearls* Grace Livingston Hill, 2013-03-01 Constance Courtland is rich Beautiful And haughty But the town beauty's life is about to take a drastic turn After a terrible accident her world is shattered and she's forced to take a look at what truly matters Can she let go of old ways forever and embrace a bright tomorrow with the help of a captivating yet startling stranger

**The Daily Record** Neil M. Phelan, Jr., 2000-12 Today we live in an age of information Television radio newspaper magazines and now the Internet inundate the Lord's people with tons of information While there is nothing wrong with healthy information and knowledge much of what we see today is bent upon destroying the foundation of homes families marriages and the faith that was once delivered to the Saints Not only have I observed the damage that this has done in the lives of others I have personally had my faith shaken by Satan's propaganda Day after day being exposed to such information my heart was stirred to raise up a banner not only to teach but to challenge false information and tear down Satan's strongholds The first 14 articles deal with the subject of creation This subject alone has been under constant attack All of the articles are suitable for devotional material They may also be used by parents to teach their children many biblical truths from God's word Each article is short concise simple enough for the child yet deep enough for the theologian

*Family Devotions* Neil M. Phelan, Jr., 2005-06-14 Devotional material has always been of immeasurable value to God's people Spurgeons Morning and Evening has encouraged many a pilgrim as they prepared for their day and sought comfort on their pillow at night We do not aspire to this caliber of thought or experience yet we feel a burden for the same work One reason is because there is always a need for contemporary authors people who live and breathe in this present world who may be identified as a living brother and companion in tribulation Another reason has given equal force to vent our hearts in written form There was once a day when families gathered together to discuss religious topics It was by those discussions however brief and unstructured they may have been that children became aware of their parents faith and ultimately their God Today we live in a busy world With computers television VCR's CD's and a world of entertainment at our fingertips this opportunity of teaching has become all but extinct Gadgets noise and electronics stifle familial communication Granted children may know that their parents believe in God because they go to church yet the dynamics of personal interactions between parent and child is all but lost Thus we come to this final reason for this collection of articles To give the parent some short meditations to enjoy personally and ultimately share with their family and children Our homilies are for the most part a condensed version of messages delivered to our congregation Surely if they were given us by the Chief Shepherd for the feeding of the gathered flock they will be beneficial to other sheep which are not of our immediate fold For your benefit we have included some helpful hints for parents at the conclusion of each devotion
