for the grass roots of newly planted churches He is familiar with the problems they face and the questions they ask He wrestles with the need for cross cultural application He is committed to the unity of the church and urges us to give one another the liberty of interpretation in those secondary areas in which we disagree And his straightforward easy to read style includes both a simple vocabulary and short sentences Inevitably a one man commentary will not please everybody But he has struggled to rid himself of bias so that there is very much here for all Bible students to learn whatever their cultural or denominational background In fact the Applied New Testament Commentary should help to promote mutual understanding tolerance and respect among Christian people John Stott All Souls Langham Place London

La Santa Biblia: Nuevo Testamento Felipe Scio de San Miguel,1854 **Catalogue of the Library of the British and Foreign Bible Society** British and Foreign Bible Society. Library,George Bullen,1857 INTRODUCCIN AL NUEVO TESTAMENTO A TRAVS DE SUS AUTORES/ WHAT THE NEW. Kenneth Berding,Matt Williams,2023-10-17 Un enfoque novedoso para entender lo m s esencial del Nuevo Testamento Introducci n al Nuevo Testamento a trav s de sus autores es un proyecto colaborativo que involucra a quince eruditos de Nuevo Testamento que ense an a estudiantes de universidad y que conocen sus necesidades Este panorama introductorio se centra en los temas m s importantes de cada libro y de cada carta en el Nuevo Testamento Al preguntarnos cu les fueron los temas principales de Mateo o de cualquier otro escritor neotestamentario descubrimos a qu debemos prestar atenci n al leer y por qu resulta relevante para nosotros hoy Introducci n al Nuevo Testamento a trav s de sus autores se distingue de otras introducciones al Nuevo Testamento de las siguientes maneras Est organizado en torno a cada uno de los nueve autores neotestamentarios para enfatizar que sus preocupaciones y no las nuestras son las m s importantes Por tanto el libro sigue de manera general el orden de los libros del Nuevo Testamento con excepci n de Hechos las cartas de Juan 1 2 y 3 Juan y Apocalipsis que se agrupan por autor No obstante este intento por buscar el enfoque principal de los autores no significa que el libro no aborde nuestra vida actual De hecho m s de cien destacados aclaran c mo estos autores pudieran haber aplicado sus escritos a la vida cristiana del siglo XXI Es un proyecto colaborativo con cap tulos escritos por quince eruditos de Nuevo Testamento que tambi n han tenido gran xito en el sal n de clases Estos profesores vienen de doce de las mejores universidades evang licas de Norteam rica Fue escrito por profesores que ense an a estudiantes universitarios y que entienden su cultura no por personas que han pasado la mayor parte de su tiempo ense ando materias de seminario o de maestr a Los temas introductorios Qui n Cu ndo D nde Por qu se condensan en un resumen de una sola p gina con informaci n esencial Ya que el libro fue escrito de forma espec fica para estudiantes universitarios tambi n puede ser utilizado de manera efectiva en programas de educaci n cristiana en la iglesia Su formato es m s sencillo e intencionalmente m s corto que otras introducciones M s no es siempre mejor en especial en este tipo de textos A novel approach to understanding the essence of the New Testament What the New Testament Authors Really Cared About is a collaborative project involving fifteen New Testament scholars who teach university students and understand their needs This introductory overview focuses on the most important themes of each book and letter in the New Testament By exploring the main themes of Matthew or any other New Testament writer we discover what we should pay

attention to while reading and why it remains relevant to us today Introduction to the New Testament through its Authors differs from other introductions to the New Testament in the following ways It is organized around each of the nine New Testament authors to emphasize that their concerns and not ours are the most important Thus the book generally follows the order of the New Testament books with the exception of Acts the letters of John 1 2 and 3 John and Revelation which are grouped by author However this attempt to seek out the main focus of the authors does not mean that the book does not address our life today In fact more than one hundred highlights clarify how these authors might have applied their writings to the Christian life of the twenty first century It is a collaborative project with chapters written by fifteen New Testament scholars who have also had great success in the classroom These professors come from twelve of the best evangelical universities in North America It was written by professors who teach college students and understand their culture not by people who have spent most of their time teaching seminary or master s degree subjects The introductory topics Who When Where Why are condensed into a one page summary of essential information Since the book was written specifically for college students it can also be used effectively in Christian education programs in the church Its format is simpler and intentionally shorter than other introductions More is not always better especially in this type of text
