**Your Days Are Numbered** Michael A. Price, 2011-04-13 It is hopeful that this present work should be a blessing to those who read it When the writer of this book started taking notes and studying the various numbers in scripture it was his initial desire to know and to understand the God of the Bible in a deeper way This work has been in the making for twenty plus years Yet there still remains an insurmountable amount of evidence which suggests that God's ways are past finding out by the human mind and intellect God is Spirit and He must be contacted by the spirit of man for a fuller revelation of His awesome glory and majesty The subject of numbers in scripture has proven to be a fascinating endeavor but at the same time never ending because of the continuous revelation of always discovering new meanings and new numbers to contemplate by the spirit Illustrations are continually being discovered It would be irreverent to suppose that this work could

be complete for it would assume that the wonders of the Creator as manifested through numbers in scripture could be all discovered May this modest work be to the praise and glory of the One and Only True God      **Biblical Numeric Keys** R. J. Plugge,2016-11-28 God does things by the numbers He knows the number of hairs on your head and the number who will be saved He sets dimensions durations designs definitions and destinations He numbered six 6 days for his work of Creation then he sanctified the seventh for mankind The numeric 7 has ever since been used as the number symbolizing perfect in the eyes of heaven and of those things expressing the actions of God Throughout the scriptures God has communicated through numbers which are both symbolic and literal counts The message in a scriptural text is often as much or even more within the symbolism of the associated numbers as it is within the words or actions depicted The numbers often help explain or even interpret a written text In this book are the most likely symbolic revelations to be associated with forty numbers including 153 666 1290 and 1345 It will help you appreciate the depth of messages conveyed throughout Gods Word      **The Complete Book of Biblical Numbers** Anita G. Long,2012-04-11 Here is a complete listing of the numbers and where they are located in the Bible If you want to know where a number is used this book will help you to locate it quickly and easily It will help Bible readers students Sunday school teachers pastors and anyone else interested in the numbers of the Bible The Complete Listing of Biblical Numbers will help you dive into the world of biblical numerology      **Bible Numbers; Or, Scripture Facts in Rhyme. With References** Marianne PARROTT,1848      **The Numerical Structure of the Holy Bible** Charles Stockford Jr.,2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord s people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study      **Curiosities of the Bible Pertaining to Scripture Persons, Places and Things** Erastus Buck Treat,1886      **The Cabbala of the Bible; or, The science of Scripture numbers** John Henry Weldon,1897      Number in Scripture Margaret Hatch Farmer,George Fox College. Intensified Studies Program,1970      **Jesus Christ, the Number of His Name** Bonnie Gaunt,1998 Sir Issac Newton searched more than half a lifetime for the secret code that he suspected was in the original texts the Old and New Testaments He died without ever finding it That sacred code now reveals the story of Jesus Christ His part in the work of creation His coming as the babe of Bethlehem and His glorious second coming as the promised King on David s Throne The exciting message that was encoded into the original text tells the time of His coming and the Earth s Great Millennium Today we are living in the time that was prophesied This book takes us on an exciting journey into the secrets of that code and its astounding message      **A Biblical Cyclopædia** John Eadie,1883      *Creation Centered in Christ* Henry Grattan Guinness,1896      **The Numerical Bible** Frederick W.
