Nuns Of Terror:

Nuns of Terror Arturo Picca,Dante Tiberia,2000-09 Revolutionaries hide in a convent only to discover it had earlier been taken over by outlaws that had converted it into a sadomasochistic bordello [To Quell the Terror: The Mystery of the Vocation of the Sixteen Carmelites of Compiègne Guillotined July 17, 1794](#) William Bush,2013-10-29 This book recounts the dramatic true story of the Discalced Carmelite nuns of Compiègne martyred during the French Revolution's Great Terror and known to the world through their fictional representation in Gertrud von Le Fort's Song at the Scaffold and Francis Poulenc's Dialogues of the Carmelites. At the height of the French Revolution's Great Terror a community of sixteen Carmelite nuns from Compiègne offered their lives to restore peace to the church and to France. Ten days after their deaths by the guillotine Robespierre fell and with his execution on the same scaffold the Reign of Terror effectively ended. Had God thus accepted and used the Carmelites' generous self-gift? Through Gertrud von Le Fort's modern novella Song at the Scaffold and Francis Poulenc's famed opera Dialogues of the Carmelites with its libretto by Georges Bernanos modern audiences around the world have become captivated by the mysterious destiny of these Compiègne martyrs. Blessed Teresa of St Augustine and her companions. Now for the first time in English William Bush explores at length the facts behind the fictional representations and reflects on their spiritual significance. Based on years of research this book recounts in lively detail virtually all that is known of the life and background of each of the martyrs as well as the troubled times in which they lived. The Compiègne Carmelites sustained by their remarkable prioress emerge as distinct individuals struggling as Christians to understand and respond to an awesome calling relying not on their own strength but on the mercy of God and the guiding hand of Providence. The book includes an index and 15 photos

Thousands and Thousands of Lovers Anna Harrison,2022-09-05 *Thousands and Thousands of Lovers* examines the spiritual significance of community to the Cistercian nuns of Helfta a concern that lies at the heart of the monastery's literature. Focusing on a woefully understudied resource and the largest body of female authored writings in the thirteenth century this book offers insight into the religious preoccupations of a theologically expert and intellectually vibrant cloister to reveal a subtle interplay between communal practice and private piety other directed attention and inward religious impulse. It considers the nuns' attitudes toward community among themselves and with their household members as well as with souls in purgatory and the saints

A Guide to the Opera Esther Singleton,1899

Wartime cinema, Englishness and propaganda Ina Habermann,2025-09-30 This book provides a fresh analysis of the wartime work of Michael Powell and Emeric Pressburger and their team the Archers. It argues that in their earlier work Powell and Pressburger should be seen as middlebrow storytellers whose stories explore national identity in times of war. Their wartime work is discussed in four phases the first phase covers their contributions to the phoney war the second traces their engagement with the people's war. The third phase sees the Archers move beyond propaganda towards memodramas of Englishness. The fourth phase dramatizes post-war preoccupations with an increasing focus on memory and trauma. The book

also looks at Pressburger's later work including his two published novels *Killing a Mouse on Sunday* and *The Glass Pearls*
