

# Nurse Nancy

1 — It was Christmas Eve. Nancy, the little nurse at the Dollies Hospital, was making sure her patients were all comfortable before she went off duty.

2 — "I'm going carol-singing with three of my friends this evening," she told them. "You won't be alone, though. Grandad will be here to look after you."

3 — But just as Nancy was about to go off duty, the ambulance drew up with another patient. "I've got an accident victim!" called Colin the driver.

4 — The little nurse helped Colin to carry the patient indoors. "Will Belinda be all right?" asked Rosie, the doll's owner. "Her pram rolled away and she was thrown out."
