Nurturing Faith:

Nurturing Faith Fred P. Edie, Mark A. Lamport, 2021-09-07 Faith left on rocky soil withers but faith nurtured in the good soil of Christian teaching formation and mentorship grows to maturity and yields thriving community. Educational ministries are so often where this happens where the desires of the human heart are shaped toward a love for God, a love for one's neighbor and a love for the world. In this comprehensive guide to educational ministries in the twenty-first century, Fred Edie and Mark Lamport explore how church leaders and others involved in Christian education can nurture a robust cruciform faith within their communities. When discussing strategies and goals, Edie and Lamport consider a range of contexts and a variety of related fields that might give insight into educational ministry theology, pedagogy, philosophy, social science, and more. Those working with any age group—children, adolescents, and adults—will find a relevant discussion of key underlying theological themes, a guide to concrete practices, and indispensable help in navigating shifting cultural dynamics. Exceedingly practical and consistent with the teachings of the gospel, the wisdom in this book will speak to all who long to foster discipleship in their church school or missional community.

Key Features A Road Map at the beginning of each chapter concisely introduces the chapter's topic and essential themes. Sidebars throughout the text provide deeper insight into particular important or nuanced concepts. Discussion questions at the end of each chapter facilitate further reflection, especially in conversation with others. Suggestions for further reading are provided at the end of each chapter for those interested in exploring the chapter's ideas in greater depth. Concluding the book is a series of afterwords from experts in the field of Christian educational ministries: Martyn Percy, Almeda Wright, Craig Dykstra, Kirsten Oh, Elizabeth DeGaynor, and Thomas Groome.

Children's Ministry Lawrence O. Richards, Larry Richards, 1988 This book combines both biblical and theological foundations for children's ministry with a careful assessment of other issues in nurturing children such as developmentalism, the context of learning and growth, values, cognitive abilities, and social relationships.

Nurturing Faith in Families Jolene L. Roehlkepartain, 2002 A family faith crisis is occurring in church-going families. Often, church leaders are perplexed about the best way for their congregation to care for the families within their midst and community. *Nurturing Faith in Families* offers 425 creative ideas that pastors, teachers, and other leaders can use to help families grow spiritually and feel more connected to the church.

Nurturing Faith and Hope Anne E. Streaty Wimberly, 2010-02-01 Wimberly's latest work presents pastors, church lay leaders, and scholars with a new lens to think critically and joyously about how Christian education undergirds and supports the worship experience in nurturing faith and hope in black parishioners. David L. Wallace Sr. Dean Johnson C. Smith Theological Seminary, The Interdenominational Theological Center, Atlanta, Georgia. This highly recommended work provides a thoughtful yet comprehensive framework of the black Christian worshipping community as the context where faith and hope are nurtured.
