Nutmeg Gets Adopted:

Nutmeg Gets Adopted Judith Foxon, 2001 Illustrated by Sarah Rawlings Specially written for children in adoption and foster care this book tells the story of Nutmeg a small red squirrel and his young sister and brother who go to live with a new family when their mother is unable to look after them It offers a practical way for children to understand some of the very painful memories they have of their early life and may help to dispel feelings of guilt and responsibility which are experienced by many children in the care system Illustrated in full colour Ages 4-10

Nutmeg Gets a Letter Judith Foxon, 2003 Illustrated by Sarah Rawlings A new story featuring Nutmeg the small red squirrel who starred in *Nutmeg Gets Adopted* and *Nutmeg Gets Cross* This story explores the emotional issue of contact with birth families following adoption when Nutmeg's mother's letter arrives late for his birthday and he is sad Also including 16 pages of practice guidelines for adults this story will help adoptive parents explain to their young adopted child how to adjust and feel about their unique situation In full colour Ages 4-10

Nutmeg Gets Cross Judith Foxon, 2002 Illustrated by Sarah Rawlings The sequel to the popular *Nutmeg Gets Adopted* this illustrated children's book continues the story of Nutmeg a small red squirrel and his younger sister and brother Offering a practical way to help children explore and understand some of the painful feelings that may surface after they are adopted which they will usually be unable to explain the book emphasises the supportive role that sensitive parents and carers can play and includes a 16 page section of practice guidelines for adult readers

Nutmeg Gets a Little Help Judith Foxon, 2005 A story about therapeutic post adoption work with adopted children to help keep memories of their first family alive and understand why their birth parents could not look after them As with earlier titles in the series the accompanying guidelines explain the processes to help the adult working with the child and make the point that the techniques can be used with children at any stage of their life in care

Assessing the Support Needs of Adopted Children and Their Families Liza Bingley Miller, Arnon Bentovim, 2006-12-01 Written in consultation with a range of experts clinicians and practitioners as well as adoptive children families and birth relatives this book gives helpful guidance on making evidence based assessments and planning successful adoption support Key features include a discussion of the main themes of adoption and pointers for practice in relation to the Assessment Framework a guide to the use of evidence based approaches to assessment including the tools commissioned by the Department of Health and the Department for Education a model for analysis and planning and planning support and interventions an investigation of the source range and value of support services and interventions that can promote the wellbeing of adopted children their adoptive families and birth relatives Packed with practical advice case examples and models of good practice this book is invaluable for social workers and managers involved with the adoption process and the wellbeing of children and families It is also essential reading for social work students learning about working with children and families

Nutmeg Gets a Little Sister Judith Foxon, 2007 Family relationships can be particularly complicated for adopted children and the diverse mix can often lead to uncertainty

confusion and if a new child is joining the family a need to re negotiate family roles Designed to be read to or with children by their own social worker their current carers or adoptive parents this book will encourage children from a wide age range to explore their feelings about their own circumstances and situations Adoption Anthony Douglas,Terry Philpot,2003-09-02 Adoption Changing Families Changing Times draws together contributions from all those with an interest in adoption adopted people birth parents and adoptive parents practitioners and managers in the statutory and voluntary sectors academics and policy makers Chapters on research and policy are interspersed with those from people with first hand experience of being adopted becoming an adoptive parent or giving a child up for adoption Together they provide unique insights into a subject that although regularly in the media is often surrounded by prejudice and misconception Topics covered include children and young people in care trying to adopt waiting for adoption life after adoption the politics of adoption This accessible text offers a comprehensive view of adoption policy practice and services and analyses why adoption has become so controversial It provides professional and general reader alike with a fully rounded picture of adoption and exposes some of the myths surrounding it **Handbook of Therapeutic Life Story Work** Karla Burley,Suzanne McGladdery,2024-05-09 Life Story Work is something we do all the time be it reminiscing with friends or family about a particular event or period of our lives or keeping memorabilia photographs and written records Reflecting on and re examining past events and experiences helps us to make meaning of them in the present As a certified play therapist and a qualified social worker Karla and Suzanne have come together as independent Therapeutic Life Story Work practitioners to explore their experiences and the challenges they have faced to guide other practitioners entering this important area of practice They share journeys they have taken alongside the many families they have supported drawn from completing Professor Richard Rose s Diploma in Therapeutic Life Story Work TLSW The authors take the reader through the process of Therapeutic Life Story Work from beginning to end linking theory with practice They identify areas to consider in preparing to do this work and the referral process give practical first steps in information gathering and provide a wealth of activities and techniques that can be undertaken in sessions Written during the time of a global pandemic it includes working on line and the many creative ways of supporting children and adults in making meaning and creating a more coherent narrative of their lives They share the complexities of working with birth families neurodiversity measuring outcomes and the recent strong evidence base for this intervention as well as a unique model of creating therapeutic stories in therapeutic life story work They highlight the importance of self care and supervision when working with trauma consider what to do when things go wrong and the importance of creating emotional safety within this work The content is drawn from many hours of work challenges faced within the work and an idea that it could be beneficial to others undertaking or interested in Therapeutic Life Story Work Therapeutic Life Story Work is an area of practice that Karla and Suzanne are passionate about They decided to write this book in response to the questions they are frequently asked about setting up as independent practitioners and

how they work in practice Their aim is to continue to support children and young people in their journey to make sense of their lives as well as supporting practitioners and developing Therapeutic Life Story Work worldwide The Handbook of Therapeutic Life Story Work is essential reading for those working with children young people and adults including social workers therapists family support workers residential care staff teachers adopters foster carers special guardians connected carers students psychologists and any other professionals involved in working with traumatised children
