**An Introduction to the Old Testament Prophetic Books** C. Hassell Bullock,2007-05-01 The Old Testament prophets spoke to Israel in times of historical and moral crisis They saw themselves as being a part of a story that God was weaving throughout history a story of repentance encouragement and a coming Messiah In this updated introductory book each major and minor prophet and his writing are clustered with the major historical events of their time Our generational distance from the age of the prophets might seem to be a measureless chasm Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets but also the God who comprehends spans and transcends all time In these pages C Hassell Bullock presents a clear picture of some of history s most profound spokesmen the Old Testament prophets and the God who shaped them

Allen,2024-04-18 The eloquent and uncompromising calls for social righteousness by the Minor Prophets are familiar to many yet the writings themselves are probably the least studied and least known texts of the Old Testament Those who are familiar with these books are also aware of the historical and literary problems that plague their study Drawing on theological historical and literary insights Leslie Allen s commentary on Joel Obadiah Jonah and Micah carefully and imaginatively reconstructs the context in which the original Hebrew audience received the prophets messages In turn Allen shows what relevance they hold for contemporary Christians For each of the books Allen includes a

substantial introduction presenting and assessing a broad range of scholarship a select bibliography and an extensive commentary on the author s own translation of the text Allen pays special attention to Micah in which he treats at greater length many of the forms and motifs that also appear in Joel Obadiah and Jonah The introductory material for Joel includes discussions of canonicity and textual criticism that apply to the entire volume *The Augustinian Revolution in Theology* Thomas Allin,1911 **The Universal Over-presence and the Spiritual Spheres** Charles H. Ingraham,2021-06-21 During the early part of 2019 our Sunday school lessons centered on the Old Testament prophets particularly the minor prophets It was a great challenge to understand their messages and the messages relevancy for our times It seemed as if there really were no significant differences in these books of prophecy as the minor prophets all seemed to be saying the same thing Of course there are differences in the messages and ministries of the minor prophets hence my attempt to show so My goal was to summarize the writings and ministries of the minor prophets and show their relevancy for today This I did through a series of sermons that were initially delivered in the Calvary Baptist Church during the winter of 2019 My goal was to make the teachings of the minor prophets understandable to every segment of our membership The approach was more inspirational than overly scholarly Each chapter of the book is provocatively titled and begins with a story or illustration that centers on that particular subject The intent was to reference something that the reader could relate to and see how the prophet addresses that matter Of course not every single detail of the prophet s message is included due to the constraints of time etc My hope is that the readers of this book will come to know God better and to have a relationship with him They will see that in spite of people s imperfections our God is perfect and faithful toward us The minor prophets challenge us to live faithfully for God To the extent I have been able to evoke this kind of response from my readers I give all glory and honor to God **A.L.A.
