Palonen**

Modern Parliaments:

Modern Parliaments Gerhard Loewenberg,1971 *Parliaments in the Modern World* Philip Laundry,1989

Parliament and Parliamentarism Pasi Ihalainen,Cornelia Ilie,Kari Palonen,2016-01-01 Parliamentary theory practices discourses and institutions constitute a distinctively European contribution to modern politics Taking a broad historical perspective this cross disciplinary innovative and rigorous collection locates the essence of parliamentarism in four key aspects deliberation representation responsibility and sovereignty and explores the different ways in which they have been contested reshaped and implemented in a series of representative national and regional case studies As one of the first comparative studies in conceptual history this volume focuses on debates about the nature of parliament and parliamentarism within and across different European countries representative institutions and genres of political discourse

The History of Parliamentary Behavior William O. Aydelotte,2015-03-08 In this volume thirteen American and European scholars show how a variety of mathematical tools may be used to attack major questions in the history of parliamentary behavior Their essays treat key topics related to the varied but comparable circumstances of seven countries These topics include recruitment and career patterns actions and decisions of legislators as revealed by their roll call votes and hypotheses that might help explain legislative behavior Historians have long been interested in the study of parliaments but the recent application of quantitative techniques has made possible the effective use of data too voluminous to be comprehended by traditional methods These techniques have also permitted a more precise and searching examination of certain controversial questions These essays provide a new measure of and challenge to long accepted views regarding the operation of parliaments Contributors William O Aydelotte Aage R Clausen Gudmund Hernes S ren Holmberg Geoffrey Hosking Anthony King Donald R Matthews Mogens N Pedersen Douglas Price Antoine Prost Christian Rosenzweig Peter H Smith and James A Stimson Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Handbook of Parliamentary Studies Cyril Benoît,Olivier Rozenberg,2020-11-27 This comprehensive Handbook takes a multidisciplinary approach to the study of parliaments offering novel insights into the key aspects of legislatures legislative institutions and legislative politics Connecting rich and diverse fields of inquiry it illuminates how the study of parliaments has shaped a wider understanding surrounding politics and society over the past decades *Parliaments in the Modern World* Gary W. Copeland,Samuel C. Patterson,1994 A cross national survey of how parliaments adapt to change *Parliamentarism and Encyclopaedism* Giovanni Rizzoni,2024-02-08 This book explores a specific aspect of modern parliamentarism its ability to produce and

organise political knowledge The book argues that the very meaning of modern parliamentarism cannot properly be understood without considering the cognitive value which is inherent in the representative function discharged by parliaments vis a vis the political community It does so by studying the encyclopaedic patterns underlying modern parliamentarism Exploring the concept from ancient times to modernity it addresses the fundamental question of the relationship between knowledge and democratic decision making This is a truly innovative book challenging provocative and asking crucial questions of how parliaments work and legislate

A Comparative Study of Representative Systems

Yezhong Zhou, 2024-03-27 This book demonstrates the social and historical conditions for the existence and development of the representative system and uncovers the laws dictating its occurrence development and operation Due to the barriers of language and cultural communication the understanding of democracy differs in western and Chinese cultures which leads to many misinterpretations and even bias The book displays the merits and drawbacks of different forms of democracy on the basis of a comparative study of the different representative systems and argues that different representative systems can co exist side by side and that the selection of the appropriate form of democracy must reflect the actual conditions in a given country Therefore a blind evaluation or criticism is unreliable The book could provide good opportunities for western scholars to see how the Chinese scholars understand democracy and the representative system help the westerners to understand the forms of democracy with Chinese characteristics and rationality of the socialist people s representative system grasp the true essence of Chinese Constitution and democracy and give up their bias towards China for a better communication and mutual understanding This book constructs a theoretical framework for studying the representative system and provides a solid foundation for its further research promoting the improvement and development of constitutional jurisprudence Even today the comparative study of the basic theories system building and operation of the representative system are of great theoretical significance and practical value in the Chinese political development and reform The book is primarily intended for graduates and scholars in the areas of constitutional jurisprudence on China and abroad It is a must read for constitutional researchers and those who want to know the essential differences between Chinese and Western constitutional jurisprudence

The Future of Parliamentary Democracy, 2000 **The Constitutional Documents of the Puritan Revolution, 1628-1660** Samuel Rawson Gardiner, 1889 *The Fortnightly*, 1879 *Parliamentary Papers* Great Britain. Parliament. House of Commons, 1906 *The Parliamentary Debates* Great Britain. Parliament, 1908

Methods of Historical Study Herbert Baxter Adams, 1884 **Analytical and Classified Catalogue of the Library of the Parliament of Queensland** Queensland. Parliament. Library, Denis O'Donovan (C.M.G.), 1883 *The Historians' History of the World* Henry Smith Williams, 1907 **The Westminster Review**, 1895 **The Contemporary Review**, 1872 **Israel Among the Nations** Anatole Leroy-Beaulieu, 1895 *Hansard's Parliamentary Debates* Great Britain. Parliament, 1877
