## **Modern Descriptive English Grammar:**

Modern Descriptive English Grammar Hulon Willis,1972     **A Descriptive Grammar of English** Andrew Rossiter,2020-04-24 Grammar can often be seen as a dull and complicated art with all sorts of dusty and quirky rules that are hard to understand and even harder to explain This Descriptive Grammar of English by example shakes off the dust to present the essential principles of modern English grammar as clearly as possible picking out the simple rules that determine the standard practices of modern English both in writing and in speech Most native speakers generally follow the essential rules of English grammar as if by intuition in many cases they will be quite unaware of what the rules are even that they exist though they may well notice when someone else says something quite ungrammatical or even worse writes something ungrammatical But rules or principles or guidelines do exist and without them it would be very difficult to communicate properly and coherently Grammar is the highway code of any language and people need either to learn it or to absorb it subconsciously in order to speak or write proficiently Children master the rudiments of grammar in their native language by hearing remembering repeating and experimenting and up to a point this is sufficient for everyday communication However beyond a certain level and more importantly when learning a second or foreign language some awareness of the rules and principles of grammar becomes useful and in many situations vital Some understanding of grammar is indeed essential for anyone wanting to teach English whether it be to native speakers or as a foreign language By highlighting literally hundreds of short sentences and expressions this Descriptive Grammar of English clearly illustrates and succinctly explains the rules that govern acceptable usage of the English language today Where necessary it uses colour coding to show up pertinent points and to contrast different structures or functions This is not a grammar book for grammarians it s a grammar book for anyone and no prior knowledge of linguistics is required As befits any discussion of grammar it uses the expressions or jargon that are required to explain grammar but also explains them by including a glossary of grammatical terms which will be of value to most readers Originally conceived for the benefit of non native speakers of English particularly advanced EFL and ESL students and teachers of English as a foreign or second language it is also very much suited for school and home use in English speaking countries In short it is for anyone who is looking for clear and example based explanations of how English works and is written and spoken It covers all the main points of English grammar in a way that is understandable to any student As well as explaining the essential aspects of English grammar such as verbs and nouns and adjectives it includes succinct and clearly illustrated sections on such important points as style word order and punctuation It distinguishes where appropriate between the usages of written and spoken English and between British English and American English All the points covered in this grammar are copiously illustrated with examples from everyday English including memorable and familiar expressions that are hard to forget Children are not the only ones who learn their grammar by example     *A Descriptive Grammar of English* Andrew Rossiter,2022-06-27 A Descriptive Grammar of English is a

concise pedagogical reference grammar highlighting the fundamentals of contemporary English grammar clearly illustrated with unambiguous and pertinent examples of modern usage **Descriptive English Grammar** Homer Clyde House, Susan Emolyn Harman, 1947

**English Grammar** Richard Hudson, 2002-09-11 English Grammar helps users to understand grammatical concepts encourages the reader to practise applying newly discovered concepts to everyday texts teaches students to analyze almost every word in any English text provides teachers and students with a firm grounding in a system which they can both understand and apply

**English Grammar Descriptive and Historical**, Multi-word Verbs in Early Modern English Claudia Claridge, 2000 The topic of this book fits in with the recently growing interest in phraseology and fixedness in English It offers a description of multi word verbs in the language of the 17th and 18th centuries an important formative period for Modern English For the first time multi word verbs are treated together as a group as it is argued that phrasal verbs prepositional verbs phrasal prepositional verbs verb adjective combinations and verbo nominal combinations share defining characteristics These characteristics are also reflected in similar possibilities of usage in particular the subtle modification of verbal meaning and these verbs potential for topicalization structures both leading to a greater expressiveness Using a new text collection the Lampeter Corpus of Early Modern English Tracts 1640-1740 the study provides a description of the multi word verb types found their syntactic behaviour and their semantic structure The composition of the corpus also allowed the examination of the development of these verbs over time and in different registers The corpus study is supplemented by an investigation of attitudes towards multi word verbs with the help of contemporary works on language leading to a more speculative discussion of the factors influencing the choice between multi word and simplex verbs

### **Modern Descriptive English Grammar Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Modern Descriptive English Grammar has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Modern Descriptive English Grammar has opened up a world of possibilities. Downloading Modern Descriptive English Grammar provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Modern Descriptive English Grammar has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Modern Descriptive English Grammar. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Modern Descriptive English Grammar. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Modern Descriptive English Grammar, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Modern Descriptive English Grammar has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
