Modern Construct Man 2ed:

The Construction of Value Philosophy in Contemporary China Deshun Li, 2025-03-11 This book approaches humanism in the new era in China by discussing the nature of value philosophy and by analyzing in depth the significance of value research for China's modernization and future development. The author expounds his own point of view on the value of human beings as the foundation of value philosophy and subsequently applies it to understanding conflicting values between China and the West, universal values, etc. In addition, he discusses the cultural value concept in China, e.g., the craze for traditional Chinese culture, value choices in socialism with Chinese characteristics, and Deng Xiaoping's great practice. Combining the fields of academic study, political affairs, cultural communication, and social life, the book offers a valuable resource for scholars, researchers, politicians, diplomats, university students, and those who want to study and understand value philosophy, Chinese value research, and Chinese culture. In addition, it seeks to realize the value of human beings in culture. Lastly, its discussions on the value concept can facilitate understanding and respect among people's all over the world.
