Modern Journalism Principles And Practice:

Modern Journalism: Principles And Practices N. C. Pant, 2002 *Media Reporting* James Stovall, 2012-12-08 Central to the act of journalism is the act of reporting Journalism cannot exist without reporting without reporters who are willing to dig up information in all sorts of unlikely places and from all sorts of unlikely people Nothing matters in journalism without reporting That's why this book was written Students who have an interest in journalism should must understand that good reporting is the core Intelligent insightful efficient gathering of information Information that is original relevant important and useful Journalism doesn't exist without it Reporting is hard work It is frustrating and difficult Reporters are constantly called upon to use their wit and imagination to think of where information is and who has it and then to persuade those who have it to give it up Reporters do not have subpoena power They cannot compel sources to part with their information So a reporter must sell the source on the importance of what the reporter is doing None of that is easy But reporting hard as it is can also be fun and exciting It can take a young person to places he or she would never see otherwise It can put the reporter in touch with the most interesting people on earth It gives the reporter a front row seat on the human condition It's not always a pretty picture but it is almost inevitably interesting and enlightening *Media Reporting Principles and Practices of Journalism in a Multimedia World* will give you some of the basic concepts of what a reporter does and how a reporter goes about the business of journalism This book is part of the Tennessee Journalism Series Bulletin Washington and Lee University, 1926 Includes its Summer bulletin Register of officers faculty and students Catalogue etc *Johns Hopkins University Circulars* Johns Hopkins University, 1928 **A Catalogue of the Officers and Students of Georgetown University ...** Georgetown University, 1887 Journalism Tony Harcup, 2015-03-19 Get 12 months FREE access to an interactive eBook when you buy the paperback Print paperback version only ISBN 9781446274095 To find out more and for a preview of the new edition visit <https://study.sagepub.com/journalism> Journalism Principles Practice remains the essential textbook for all students of journalism With each print copy of the new third edition you receive FREE access to the interactive eBook edition offering on the go access to a wealth of digital resources including video tutorials from the author This book is the must have guide to everything you need to know about how journalism works The new edition is fully updated to cover the new essentials social media the impact of Twitter and the need for an ethical approach This book will equip you with all the skills and savvy you need to become the resourceful yet ethical journalists of the future New and improved features will help you Get to grips with the huge impact of social and mobile media on how we gather information and tell stories Grasp the rights and wrongs of journalism with a new chapter on ethics and regulation Learn how to make the most of your skills with tips from journalists such as Cathy Newman and Andrew Norfolk Think through what would you do in a new feature that takes you into the real world of journalism at the end of every chapter This new edition retains its innovative two column structure stylishly blending theory and practice As relevant to the newsroom as the seminar room it is
